### (A) Introduction:

(i) The scheme should be known as Modified Assured Career Progression Scheme (MACPS) for the regular State Government employees and will exclude the ad-hoc employees, casual employees, contractual employees, work charged employees, muster roll workers from its coverage.

(ii) The scheme will cover the regular employees drawing GP in PB-1, PB-2, PB-3 and PB-4 excluding the last GP of the PB-4..

**(B) Salient Features of the Scheme:**

(i) MACPS would include grant of financial upgradation three times in the entire service period viz. on completion of 10 years, 20 years and 30 years to those employees who do not get one regular promotion within the first 10 years or two regular promotions/ ACPS benefit within 20 years or three promotions /ACPS benefit within the 30 years of regular service.

(ii) The MACPS will provide only financial upgradation and shall not entail any change in designation, place and nature of work and change in the seniority of the person concerned in the gradation list.

(iii) The financial upgradation will involve grant of one increment in the PB of the employee without changing its GP. In case any employee is drawing the highest amount of the PB, he would be granted an increment and the PB for this purpose shall be deemed to have been extended to that extent.

(iv) The benefits under MACP should be granted on the following basis:-

Service length from date of joining	No of promotion/ACPS benefit/MACP benefit availed	Entitled benefit that can be granted
10 years	A None B One	1 increment None
20 years	A None B One C Two	2 increments 1 increment None
30 years	A None B One C Two D Three	3 increments 2 increments 1 increment None

**Note-1: Date of effect for financial benefit shall be from 1.1.2017 as clarified in para (vii) below.**

**Note-2: Service length will also include period of previous service as per rule ix, x & xi.**

(v) There will be no reservation or roster to be followed in implementing the MACPS.

(vi) If an employee is holding a higher post as a temporary/adhoc arrangement, the same shall not be considered as a promotion and the employee will be entitled to get the benefit of MACPS as per details in para (iv).

However, the services rendered by the employee before 1.1.2017 and promotions/ACPS benefit availed before 1.1.2017 shall be taken into account for deciding and determining the extent of benefit under MACPS. For example an employee who has joined regular service in 1995 and his case has been considered in 2016, the service for the purpose of MACPS shall be counted from 1995 and accordingly he will be entitled for one promotion in 2006 and another in 2016. The first benefit under MACPS will in this case start only from 1.1.2017 and not earlier.

(viii) If the post of an employee has been upgraded at any stage of the service life, the same shall be considered as a promotion for the purpose of deciding the benefit of MACPS. Similarly if an employee decides to decline a promotion for any reason what-so-ever his case will not be considered for the benefit under MACPS.

(ix) In case an employee is transferred from one department to other department in the same pay scale, the services in the previous department and promotion availed during that period shall be counted for deciding the benefit under MACPS. If an employee is transferred from one department to other department to a post with higher pay scale, this will be treated as a promotion and the employee will lose his claim of MACPS benefit.

(x) The past service rendered in public sector undertaking, under any other State public sector undertaking, autonomous bodies, state level public enterprise or any other statutory body shall not be counted for the purpose of MACPS.

(xi) If any employee is ordered by the Government for any reason what-so-ever to join at a lower post either in the same department or in any other department, he shall be entitled to the benefit of MACPS provided that such order is not issued as a consequence of a departmental proceedings resulting into the reversion.

(xii) Financial and other benefits which are linked to the pay drawn shall be permitted on the basis the pay fixed after the benefit of MACPS.

(xiv) Normally the benefits under MACPS shall be applicable from the 1<sup>st</sup> day of January of the year in which the Screening Committee has held the meeting and recommended the case. This would imply that any employee who has completed 10/20/30 years of service in the previous year shall get the benefit only from the 1<sup>st</sup> January of the year in which the Screening Committee meeting is held. However if there is a DP or criminal proceeding against the employee, the benefit will be granted provisionally from the same date as in normal case and subject to the condition as follows:-

(a) If there is any amount to be recovered as penalty, the recovery will be made as usual under existing rules of the Government.

(b) If stoppage of increment is ordered as penalty, the date of effect of MACPS benefit will be delayed by the number of years equal to the number of stopped increments and recovery for the excess drawn will be made as usual.

(xv) If within a year after the date of grant of financial benefit under MACPS the employee becomes eligible and is granted a promotion as per the service rules, the pay fixation for the said promotion will be on the basis of the pay drawn by the employee before receipt of the MACPS benefit. However if the said promotion is given after the expiry of one year from the date of the MACPS benefit, the fixation for such promotion shall be done on the basis of the pay drawn after the MACPS benefit;

Provided that if after the promotion the pay of the employee exceeds the pay of the senior, the MACPS benefit will be withdrawn from the date of promotion and such withdrawn MACPS benefit shall not be counted for calculation of entitled benefit to be granted as per rule (iv).

(xvi) The employees who are on deputation and become due for consideration for benefit under MACPS, their cases shall be considered as follows:-

(a) If the post of deputation carries the same pay scale as that of the post held by that employee before the deputation, his case will be considered for MACPS benefit.

(b) If the pay drawn on deputation is more than the pay drawn by the employee before deputation, his case will not be considered for MACPS benefit.

(c) In any case the employee will be given an option to accept either the MACPS or the pay scale of the deputation post and such option will be final.

(d) In case the employee prefers to avail MACPS benefit and borrowing agency is not willing to pay the MACPS determined pay, the employee will be reverted to the parent department.

(xvii) For any interpretation or clarification or doubt regarding any provision of the scheme, the Finance (PRU) Department of the Government of Assam shall be consulted.

(xviii) Copies of the orders granting MACPS benefits shall invariably be sent to the Finance (PRU) Department.

**(C) Procedure for grant of financial upgradation benefit-**

- (a) In case of all Government employees :-

The initial pay in the revised pay structure is to be fixed as per fitment Tables at **APPENDIX-I**.

However, in those cases where the Grade Pay has been revised to higher one, the fixations of pay shall be made as per illustration at Case 2 of **APPENDIX –VI**.

Procedure for fixation and some typical illustration have been given at **APPENDIX-VI**.

- (B)** The initial pay of a Government employee in the revised pay structure shall be fixed under these rules separately, in respect of :-
- (a) a permanent post held substantively and on which he holds a lien or would have held a lien had his lien not been suspended; and
  - (b) an officiating post held by him or that would have been held by him but for his deputation out of India, temporary transfer to another Office/Department of the State Government or the Government of India or any other State Government or foreign service;
  - (c) the fixation of pay in the revised pay structure shall be allowed only in the officiating post actually held on the date on which the revised pay structure came into effect and the substantive post, if that happens to be different and not in any other intermediate officiating post in which he had acted previously but not held by him on that date.

*Note:-* (i) In Case where an increment in the existing pay scale is due to a Government employee on the date of his being entitled to draw pay in the revised pay scale, his existing basic pay is to be calculated taking into account the increment due on that date.

(ii) In Case a Government employee is on leave on the date of his being entitled to draw pay in the revised pay structure, than his existing emolument should be taken to be the emolument which would have been admissible to him on that date but for his proceeding on leave. In calculating the existing emolument in such a case, any increment(s) that may be due to the Government employee during the period from the date of his proceeding on leave and the date from which he is entitled to draw pay in the revised pay structure, should also be taken into account. In case the Government employee proceeded on leave from an officiating post, the above would be subject to a certificate as required under F.R.26(b)(ii).

(iii) In Case of Government employee who is on joining time on the date of his being entitled to draw pay in the revised pay structure, either from duty or on expiry of leave, his emolument should be determined in the manner indicated in Note (ii) above.

(iv) The pay of a Government employee who is under suspension on the date of his being entitled to draw pay in the revised pay structure, shall be regulated in that scale on termination of his suspension in the manner indicated below:-

- (a) if he is dismissed, there is no question of fixation of his pay in the revised pay structure;
- (b) if he is fully or honorably acquitted, his pay in the revised pay structure on the date of his being entitled to draw revised pay shall be fixed on the basis of existing emolument which he would have been entitled to on that date but for his being under suspension; and

- (c) if he is acquitted otherwise than fully or honorably and if the period of suspension is converted into leave, his emolument for the purpose of pay in the revised pay structure on the date of his being entitled to draw pay in that existing pay scale should be regulated in accordance with the principles set forth in Note (ii) above, If, however, the period of suspension is regularized otherwise than as being on leave and the reinstatement is to the same post, the existing emolument that he was entitled to on the date of his being placed under suspension shall be taken as his existing emolument on the date of which he is eligible to draw pay in the revised pay structure. In a case where the period of suspension is not converted into duty or leave, but is allowed to be counted towards increment, his existing emolument should be taken to be the emolument which would have been admissible to him on the date of coming over to the revised pay structure but for his being placed under suspension. In calculating existing emolument in such a case, any increment(s) that may be due to a Government employee during the period from the date of him been placed under suspension and the date from which he is coming over to the revised pay structure should also be taken into account. In case the re-instatement is to a post other than the one from which he is coming over to the revised pay structure should also be taken into account. In case the re-instatement is to a post other than the one from which he was placed under suspension, his pay in the revised pay structure applicable to the other post should, unless the Governor of Assam directs otherwise, be regulated under the normal rules.
- (v) (a) The pay of a Government employee, who was temporarily reduced to a lower stage in his existing scale prior to the date of his being entitled to draw pay in the revised pay structure as a measure of penalty and in whose case the reduction was operative on the date of his being entitled to draw pay in the revised play structure, should be fixed in the revised pay structure in the usual manner on the basis of his reduced pay in such existing pay scale. If the competent authority has declared that the reduction should not operate to postpone his future increments, the Government employee should be allowed, from the date from which he would have been restored to the unreduced pay in the existing pay scale, the pay that he would have been drawing in the revised pay structure but for the reduction. If however, the reduction to the lower stage was permanent, the fixation of pay in the revised pay structure on the basis of the Government employee's reduced pay in the existing pay scale with effect from the date of his being entitled to draw pay in the revised pay structure will be final.
- (b) The above procedure will also apply mutatis mutandis in the case of a Government employee who was temporarily reduced to a lower grades or post or was held up at the efficiency bar or at any stage of the existing pay scale, and where such reduction or bar to increments was operative on the date of his being entitled to draw play in the revised pay structure.
- (c) In case where a government employee is held up at an efficiency bar or at any stage of the existing pay scale on the date of his being entitled to draw pay in the revised pay structure, he should, in addition, be held up at the stage in the revised pay structure in which his pay is fixed by the competent authority.
- (d) The provisions of sub-clause (a) above should also be followed in the case of a Government employee whose pay is reduced to a lower stage in the existing pay

scale or reduced to a lower grade or post or held up at an efficiency bar or at any stage of the existing pay scale within the period of option allowed under rule 5.

- (e) The form to be used in fixation of initial pay in the revised pay structure under this rule is given in **APPENDIX-VII**.
- (f) If the pay of a Government employee, who, in the existing pay scale was drawing immediately before the 1<sup>st</sup> April, 2016 more than other Government employees junior to him in the same cadre, gets fixed in the pay band at a stage lower than that of such junior, his pay shall be stepped up to the same stage in the revised pay structure as that of the junior.
- (g) In case where a senior Government employee promoted to a higher post before the 1<sup>st</sup> day of April, 2016 draws in the revised pay structure pay less than his junior who is promoted to the higher post on or after the 1<sup>st</sup> day of April, 2016, the pay in the pay band of the senior Government employee should be stepped up to an amount equal to the pay in the pay band as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior Government employee subject to the fulfillment of the following conditions, namely:-
  - (i) both the junior and the senior Government employees should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre.
  - (ii) the pre-revised scale of pay and the revised Grade Pay of the lower and higher posts in which they are entitled to draw pay should be identical.
  - (iii) the senior Government employees at the time of promotion should have been drawing equal or more pay than the junior.

9. **Rate of Increment in Revised Pay Structure:**

- (1) The rate of increment in the revised pay structure shall be three per centum (3%) of the sum of the pay in the pay band, resultant grade pay as applicable. The resulting amount shall be rounded off to the next multiple of Rs.10.
- (2) The amount of increment shall be added to the existing pay in the pay band.

10. **Date of increment in Revised Pay Structure:**

In respect of Government employees, these shall be a uniform date of annual increment and such date of annual increment shall be 1<sup>st</sup> July of every year.

Note:- I. A Government employee completing 3(three) months and above in the revised pay structure as on 1<sup>st</sup> day of July shall be eligible to be granted the increment. The first increment after fixation of pay on 1<sup>st</sup> day of April,2016 in the revised pay structure shall be granted on the 1<sup>st</sup> day of July,2016.

II. If a Government employee opts to come under revised pay structure on any date between the 1<sup>st</sup> day of April,2016 to the 1<sup>st</sup> day of July,2016, his pay in the revised pay structure should be fixed accordingly, but his date of next increment should be 1<sup>st</sup> day of July, 2017.

11. **Fixation of pay on promotion on or after 1<sup>st</sup> day of January :**

- (1) In case of promotion from one post to a higher post on or after the 1<sup>st</sup> day of April, 2016, the fixation of pay of a Government employee shall be made as per F.R. 22(1) (a) (i).

**12. Power of interpretation of Rules :-**

If any question arises relating to the interpretation of these Rules, it shall be referred to the Government of Assam in the Finance (PRU) Deptt., whose decision thereon shall be final.

**13 Cases not covered by these Rules :-**

**Procedure for fixation and illustration**

Some typical illustration of fixation of pay in the revised pay scales are given below.

To use these tables following procedure will be followed:

**Case-1:**

- (i) Depending upon the pre-revised GP locate the relevant table. For example if the pre-revised GP is Rs.3000/- Table No.1.11 would be the relevant table.
- (ii) Locate the present pay (Pay in PB + GP) in column 'B' of the said table. If the amount of present pay (PB+GP) is found in the table select it, and
- (iii) If the amount of the present pay (PB+GP) fall in between two stages select the higher one of the two.
- (iv) From this selected stage move horizontally into column 'C'. The amount shown there will be the total revised pay (pay in PB+GP) and the corresponding amount in column 'D' will be the pay in PB for this case.
- (v) The GP in this case would be as mentioned in the row above the column 'C' and 'D'.

**Following examples will clarify the above procedure:-**

**Example-1:**

An employee drawing pre-revised pay in .....	GP of Rs.4700/-
	Pay in PB Rs.11920/-
	Basic Pay Rs.16620/-

The case relates to Table 1.18 relevant to GP Rs.4700/- mentioned in the row above the column **B**.

The amount of Rs.16620/- is reflected at Sl.10. **As such the stage of Rs.16620/- is selected.** Corresponding figure in Column 'C' is Rs.42970/- which would be his revised basic pay.

The figure of Rs. 32070/- in Column "D" is the pay in revised PB-3 and the revised GP would be Rs. 10900/-.

**Example-2:**

Another employee drawing pre-revised pay	GP of Rs.3000/-
	Pay in PB Rs.8050/-
	Basic Pay Rs.11050/-

The case relates to Table 1.11 relevant to GP Rs.3000/- mentioned in the row above the column 'B'.

The amount of Rs.11050/- falls between the stage of Rs.10750/- (at Sl.10) and Rs.11080/- (at Sl.11). **As such the higher stage of Rs.11080/- is selected.**

Corresponding figure in Column 'C' is Rs.28830/- which would be his revised basic pay.

The figure of Rs.21430/- in Column 'D' is the pay in revised PB-2 and the revised GP would be Rs.7400/-.

### **Case-1A:**

In case the existing Grade Pay has been proposed to be revised to a higher level the following procedure shall be followed-

- i. depending upon the pre revised Grade Pay, the relevant table may be located. For example – if the pre-revised Grade Pay is Rs.6400/-, Table No.1.25 is to be followed.
- ii. The present Pay (PB + GP) in column B of the table may be located. If the present pay (PB + GP) is found in the table, that may be selected.
- iii. If the amount of present Pay (PB + GP) fall in between two stages, the higher one of the two may be selected.
- iv. From the selected stage, one may move horizontally into column 'D'. The amount shown there will be the revised pay in the PB and the revised Grade Pay will have to be added to get the total revised Pay (PB + GP).
- v. **For example-**

In certain cases the Grade Pay of Rs.6400/- has been proposed to be enhanced to Rs.6600/- while the pay is revised and the Grade Pay of Rs.15700/- is to be granted instead of Rs.15100/- If an employee is drawing Rs.27080 (PB + GP) on 1.4.2016 his revised pay will be fixed at Rs.66890/- (Pay in the PB Rs.51190 + GP of Rs.15700/-).

### **Case-2:**

An employee has reached the maximum of the pay in the pre-revised PB and as per the earlier pay fixation rule he is in the period of two years when one increment is to be held up. The revised recommendation do not contemplate any holding of increment. Accordingly the said employee will get a fixation as described in the following paras :

- a. If he has not yet completed one year after reaching the highest of the pay in pre-revised PB, then on 1st April, 2016 his pay will be fixed at certain stage shown in Column-C. He will thereafter get the next stage of pay in revised PB without any hold up. If the next stage is not reflected in Column C of the Table the same should be calculated by multiplying the amount of the previous stage by 1.03 and rounding off the amount to the next ten rupees.
- b. However if the next stage calculated in the manner described in (a) above crosses the highest of the revised pay in PB, the increment so calculated shall be given only after following the procedure for crossing the EB as per the recommendation made by the Commission.

- c. If the employee is allowed increment after crossing the EB he will continue to earn increments in the same manner as described in (b) above. For this purpose the relevant pay band will be deemed to have been extended and the next stage of pay shall be worked out by multiplying the amount of the previous stage by 1.03 and then rounding it off to next ten rupees
