The Additional Chief Secretary/ Principal Secretary/ Commissioner and Secretary/ Secretary in charge of the respective departments are hereby requested to carefully go through the following guidelines to enable them to guide the officers, HODs etc. under their control for submission of the consolidated budget estimates (both receipts and expenditure) accurately and without any discrepancies.

BACKGROUND

Two major changes namely merger of plan and non-plan heads in the annual budget 2017-18 and early commencement of budget session (likely to be in the first week of February 2017) in tandem with proposed Union budget of 2017-18, have warranted the changes to be brought in the role of Planning & Development Department and Finance Department in the exercise of Budget preparation 2017-18 as stated below.

BROAD STEPS/ SEQUENCE IN BUDGET PREPARATION TO BE FOLLOWED IN THE BUDGET PREPARATION 2017-18

- 1. Finance Department indicates SFPD Resources (State Funding for Priority Development Resources) to the P & D Department (this was previously called as State Plan Resources).
- 2. P & D Department, based on the above, will undertake the sectoral/ department wise allocation to the Finance Department.
- 3. P & D Department, while doing so, would include the following into such department wise allocation.
 - a) State Own Priority Development (SOPD) schemes to be taken based on priority list submitted by the department with the approval of the Minister-in-charge (this was earlier called as State Plan Schemes).

- d) Any other allocations that the P & D Department would like to consider based on the past programmes/ practices/ requirement of Assam Vision 2030 and SDG, etc.
- 4. P & D Department would simultaneously work out in consultation with the line Ministries at the Centre and the departments in the States, the proposed Budget Allocation for Centrally Sponsored Schemes and other funds to be received from the Union Government through the State Exchequer.
- 5. Both of the above two recommendations i.e. allocation proposed from SFPD resources and for Central funds, will be intimated by the P & D Department to the Finance Department.
- 6. Based on the above, looking at the actual quantum of resources based on the final assessment after meeting the committed expenditure on account of salary, pension, repayment of loans etc. the Finance Department will intimate the allocations to the line departments.
- 7. Line Departments will, based on these allocations communicated by the Finance Department, submit the budget proposal.
 - a) Establishment expenditure of the departments (till now it was called as non-plan expenditure such as, 01-Salaries, 02-Wages, 03-Travel Expenses, 04-Office Expenses, 05-Payment for Professional and Special Services, 06-Rents, Rates & Taxes / Royalty, 07-Publication, 08-Advertising, Sales and Publicity Expenses, 11-Hospitality Expenses / Sumptuary Allowances etc, 16-Motor Vehicles, 21-Pension / Gratuity, 22-Depreciation etc.)

- 8. All departments will submit the budget estimates (receipt and expenditure) online by logging in to the web site of Finance Department at http://www.finassam.in.

WHILE PREPARING THE BUDGET ESTIMATES THE FOLLOWING POINTS MAY BE BORNE IN MIND BY THE DEPARTMENTS.

(i) RECEIPTS

Regarding estimate of the Receipt Budget, it is seen that a number of Departments do not submit the estimate of Receipt Budget or submit it in an incomplete form and not as per format prescribed by the Government which results in preparation of the estimate only on the basis of the Actual of previous year and not on the basis of actual resource generated by the department. It is, therefore, requested to submit estimates of the Receipt Budget by the respective Administrative Departments for the year 2017-2018 as per format prescribed for the purpose. Where no receipt is anticipated by a Department, a 'Nil' estimate is to be submitted together with reasons thereof.

(ii) EXPENDITURE

a) Establishment expenditure of the state:

Other particulars are not required to be submitted except those mentioned above against each Sub-Heads under the various Major, Minor Heads of Account included in the estimates.
- ii. Since all categories of Salary and wages will now be included under Revenue Account after the merger of Plan & Non Plan heads from 2017-18 onwards, a single 'L' Statement should be submitted in four parts as mentioned below:

Such certificates shall be countersigned by an officer not below the rank of Secretary of the Administrative Department.

A specimen copy of 'L' Statement form is enclosed herewith at Annexure-I.

The 'L' Statements which include large number of incumbents should be submitted in a booklet form. Separate 'L' Statement for vacant posts against each Sub-Head under the various Major, Minor Heads of Account should be submitted. If number and names of incumbents are not shown in the 'L' Statement, Finance Department will have no other option but to omit or make only a token provision for the concerned Major/ Minor/ Sub-Head of Account.

- 'L' Statement should be submitted separately for the Entrusted subjects under Sixth Scheduled Areas viz. Karbi Anglong Autonomous Council, Dima Hasao Autonomous Council and Bodoland Territorial Council to enable Finance Department to reflect the actual number of employees serving under Sixth Schedule Areas in the Budget document.
- iv) Only four months provision should be shown separately in the 'L' statement against vacant posts.

The Senior most Secretary of Administrative Departments are requested to ensure that all schemes which have thus far been included under Grant No.17 and Grant No.33 are budgeted in the respective grants under the budgetary control of the Administrative Department concerned and not in Grant No.17 and Grant No.33 which are under administrative control of PW (B&NH) Department. [A]. Submission of Revised Budget Estimates:

It has been observed that the departments do not submit realistic revised estimates against respective Heads of Accounts -both for receipt and expenditure. Any likely increase or shortfall in realisation of receipt should be properly reflected in the revised estimates. In both cases i.e. for savings or additional expenditure, justification should be adduced while submitting revised estimates.

OFFICE MEMORANDUM

Sapsad-Marg, Mew Deth 110001

Subject: Rationalization of Centrally Sponsored Schemes- Based on the Recommendations and suggested course of action by the Sub-Group of Chief Ministers approved by the Cabinet.

Based on the recommendations of the Sub-Group of Chief Ministers and consultation with various Ministries/ Departments and other stakeholders, Government of Incia has decided, with the approval of the Cabinet, to rationalize the Centrally Sponsored Schemes (CSSs) in the B. Baulge following manner:

1. National Development Agenda:

1.1. The following sectors would form a part of the National Development Agenda:

I. Poverty Elimination - Livelihoods, Jobs and Skill Development

II. Drinking Water and Swaehh Bharat Mission

III. Rural Connectivity: Electricity; Access Roads and communication

IV. Agriculture, including Animal husbandry, Fisheries, Integrated Watershed Management and Irrigation

V. Education, including Mid-Day Meal

VI. Health, Nutrition, Women and Children

VII. Housing for All: Rural and Urban

VIII Urban Transformation

IX Law and Order, Justice Delivery Systems

X. Others, which may include: Wildlife Conservation and Greening

The Union and the State Governments would focus jointly on the achievement of the overarching objectives through the instrumentality of CSS.

2. Number of CSS & their Classification:

The existing 66 Centrally Sponsored Schemes (CSSs) have been rationalized into 28 umbrella schemes. The list of schemes approved by the Cabinet is enclosed at Annexure-I.

Out of 28 umbrella schemes, 6 schemes have been categorized as Core of the Core schemes, 20 schemes as Core schemes, and remaining two as Optional schemes. If required, related schemes could be merged and implemented as "Umbrella Schemes", with flexibility to States to administer the admissible components in line with State-specific requirements.

Fore Schemes will have compulsory participation by the States, whereas participation

amongst the Optional Schemes would be by choice.

200 FERS PAY SO C'SERPOFFICE

Office of the Addl. Chief Secy. to the Government of Assam P&D Department Dispur, Guwahati-6

- 2.4. Core of the Core Schemes are legislatively backed or are designed to subserve the vulnerable sections of our population, and existing funding pattern will continue for these Schemes.
- 2.5. Classification and share of the Central Government for the Border Area Development Programme (BADP) will be decided by the Finance Minister in consultation with Ministry of rome Affairs and NITI Anyon.

3. Budgeting Core and Optional schemes:

- 3.1. Allocation of funds for the Core Schemes in the Union Budget shall be done by Ministry of Firance in the Demand for Grants of the Central Line Ministries. Inter-state distribution shall be on the basis of criteria evolved by a Committee comprising Secretary of Nodal Administrative Ministry as Chairman Financial Adviser of the Ministry, and Adviser concerned of NITI Advog as Members.
- 1.2. For Optional Schemes, a lump sum provision for each State may be intimated in advance on the basis of which states would inform the Ministry of Finance of the preferred distribution within the overall ceiling indicated.
- 3.3. The Consolidated Demand for the States under this head would be routed through the NITI Aayog to the Ministry of Finance.
- 3.4. Additionally, the State will have a flexibility of portability from the Optional schemes should it choose not to utilize its entire allocation under that head) to any other CSS component within the overall budgetary allocation for the State under Central Assistance to State Plans (CASP).

4. Funding Pattern:

- 4.1. The existing funding pattern will continue for Core of the Core schemes.
- 4.2. For Core Schemes, the funding pattern for the 8 North Eastern States and Himalayan States of Untarakhand, Himachal Pradesh and Jammu & Kashmir shall be Centre: 90% and State: 10%, whereas for the rest of the States this ratio shall be Centre: 60% and State: 40%.
- 4.3. For Optional Schemes, the funding pattern for the 8 North Eastern States and Himalayan States of Uttarakhand, Himachal Pradesh and Jammu & Kashmir shall be Centre: 80% and State: 20%, whereas for the rest of the States this ratio shall be Centre: 50% and State: 50%.
- 4.4. Ordinarily, no CSS will be sanctioned where the central share is less than 50%.
- 4.5. However, all the sharing patterns indicated above shall be subject to the proviso that if the central share is already below that indicated in the sharing pattern, then the Centre's share would remain capped at their present level.

5. Cost norms:

In construction-based schemes, States may decide cost norms on the basis of Schedule of Rates applicable to the concerned States. Flexibility in cost norms is also introduced in non-construction based schemes, wherever possible. However, the flexibility provided shall be subject to the condition that such flexibility would not create any entitlements for an increased allocation under a Scheme.

Flexibility and Flori-funds: 6.

- While designing the CSS, the Central Ministries shall permit flexibility in the choice of components to the States as available under the Rashtriya Krishi Vikaas Yojana (RKVY).
- The flexi-funds available in each CSS has been raised from the current level of 10 percent to 25 percent for States and 30 percent for UTs of the overall annual allocation under each, Scheme so that the implementation can be better attuned to the needs of individual States/ UTs.

Release of Funds: 7.

- Release of an instalment would not be predicated on producing Ounzadon Ceremones (UCs) of the last instalment, and that release would be based on the furnished UC of the penultimate (last to last) instalment.
- A pre-authorization based approach would be adopted on a financial year basis, with a gradual transition towards an automated 'just-in-time' release of cash on a quarterly basis during 7.2 2016-17 to remove uncertainty in release of central share of CSS.
- The extant procedure, which mandates immediate release of funds from State Treasuries 7.3. to implementing agencies failing which penal rate is imposed, is abolished.
- Tracking of expenditure is important as a monitoring tool. Hence, the Public Financial Management System (PFMS) would be suitably integrated with the State Treasuries in 2016-17 itself. However, such integration should not be a condition precedent for release of funds to States.
- share of Central States with comfortable cash position are allowed to seek their funded the activities/projects through their after having Assistance as reimbursements own funds.

Local Body Grants: 8.

In respect of releases to Local Bodies from Government of India, the State Governments 8: are permitted to issue suitable advisories relating to prioritization for development expenditure with respect to Schemes/Sectors in the National Development Agenda especially relating to basic services out of the substantial funds that will devolve on them with effect from 2015-16.

Institutional Arrangement: 9.

- A Standing Committee would be constituted, under the Chairpersonship of CEO, NITI 9.1. Aayog with nominees from every State/UT and suitable representation from Ministry of Finance and concerned Central Ministries, for ensuring smooth implementation of CSS.
- This Committee would meet at least twice a year. The first meeting would be held 9.2. immediately after the finalization of the Union Budget, and the second meeting would be held in November/December.
- The deliberations of the Committee must be guided by an approach that focuses on problem-solving, advocacy and handholding on behalf of the States, as well as providing a forum for sharing and dissemination of best practices.

This arrangement would be without prejudice to the responsibility cast upon Central Ministries to monitor the implementation of Schemes relating to their Ministry.

Evaluation of the Schemes:

10.1. NITI Aayog shall take up monitoring and independent evaluation of important Centrally Sponsored Schemes, especially as there is a need to transit from monitoring expenditure to menitoring outcomes.

Arrangement for UT's: 11.

- 11.1. The transfer of funds to UTs for non-plan and non-development purposes is administered through the Demand for Grants of the Ministry of Home Affairs (MHA). The existing arrangements would continue.
- 11.2. Funds for development purposes, both for Central Sector and Schemes under the National Development Agenda, would be allocated UT-wise by Ministry of Finance on the basis of consultation with UTs and NITI Aayog.
- 1:.3. Instead of implementing a large number of schemes, UTs would be given flexibility in choosing the sectors in which they have identified potential and where they are likely to benefit from concerted interventions.
- 11.4. All Core and Optional Schemes would be funded 100% by Centre in all UTs (without legislature). For UTs (with legislature), existing funding pattern would be followed for all Core of the Core and Core Schemes. For Optional Schemes, the funding pattern of 80% by Centre and 20% by UTs (with legislature) would be followed.
- 11.5. For better synergy between Central sector and Centrally Sponsored Scholing, Off. consultation with NIT! Anyog may also recommend restructuring of Central sector initiatives, if required, in the selected sectors,

12. Review:

- The actual working of these provisions would be reviewed for desired course correction in the spirit of cooperative federalism after two years or any other suitable period.
- These arrangements have come into force in the current year 2016-17. 13.
