## **Introduction to Outcome Budget**

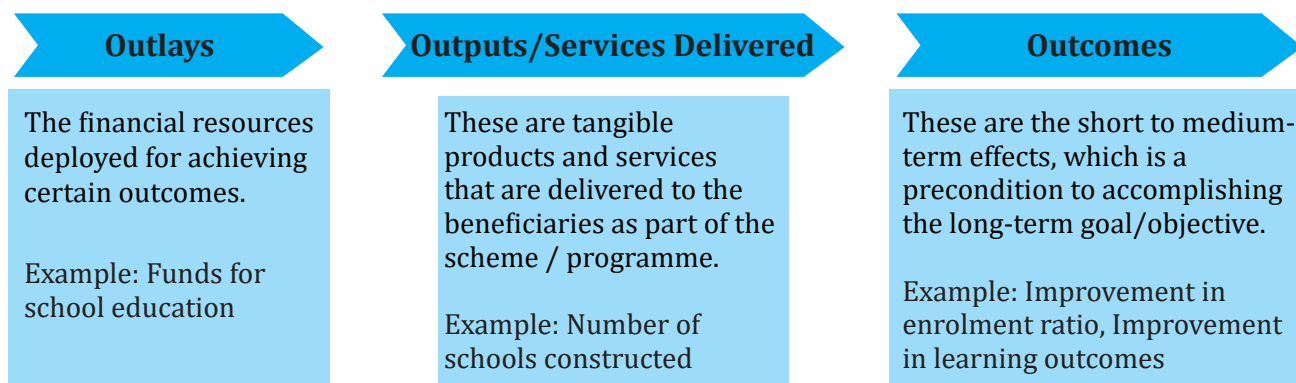

## Introduction to Outcome Budget

One of the fundamental discourses surrounding public policies revolves around the efficacy of budget outlays in translating into tangible outputs, specifically in terms of services provided to the populace. This scrutiny extends to evaluating how these outputs contribute to the overall improvement in development outcomes for both the citizens and the nation.

Conventional budgetary documents typically provide a financial overview, offering information solely on the allocation and expenditure under various budgetary heads. However, there is a need to nurture an open, accountable, proactive, and purposeful style of governance by transitioning from mere 'outlays' to the result-oriented 'outputs' and 'outcomes' through outcome-oriented budgeting. The adoption of outcome-oriented budgeting, as exemplified by the Outcome Budget Statement (OBS), is imperative for ensuring that public resources are directed towards clearly defined goals. This approach not only fosters transparency and accountability but also enables efficient monitoring of the progress made in achieving desired outcomes.

The Outcome Budget Statement (OBS) serves as a pivotal budgetary instrument, aligning expenditures with specific goals by explicitly stating the intended outputs and outcomes associated with each expenditure. The primary objective of the OBS is to facilitate greater scrutiny of budgets earmarked for specific goals.

## Outlay - Output - Outcome Framework

# **SECTION II**

**Outcome Budget Framework in Assam**

## Section II

### Outcome Budget Framework in Assam

The Government of Assam introduced the practice of formulating the Outcome Budget Statement alongside the conventional budget for the first time in the financial year 2017-18. This initiative was undertaken with the objective of enhancing transparency and accountability in the utilization of public resources, as well as to fortify efficiency in governance.

Prior to the first Outcome Budget Statement, in 2016 Assam had already established itself as the first state in India to adopt Sustainable Development Goals (SDGs) thereafter becoming the maiden state to adopt budgeting focusing on the SDG outcomes as outlined in Assam Agenda 2030. This was the first step towards achieving the 17 SDG goals by 2030.

Assam is one of the first Indian state to have adopted the guiding framework of the Sustainable Development Goals (SDGs) in structuring its Outcome Budget.

Assam's Outcome Budget has been aligned with the SDG framework and their associated targets. Formulated in close collaboration with the SDG Cell of the Government of Assam, it adheres to the principles of the 2030 Agenda and the SDGs. As per the latest report on SDG India Index 2020-21 from NITI Aayog, Assam is categorized as a performer state with a score of 57.

To ensure outcome-oriented budgeting process and a meaningful Outcome Budget Statement, a series of workshops have been organised with various administrative departments to sensitize them about the framework including building awareness around how departments should set realistic and measurable targets for every activity they plan to carry out in the financial year 2024-25. Assam's Outcome Budget Statement has evolved since its introduction in 2018-19.

## **SECTION III**

**Structure of Outcome Budget  
2024-25 and Methodology Followed**

## Structure of Outcome Budget 2024-25 and Methodology Followed

The principal aim of this document is to reflect upon the state's explicit commitments to Sustainable Development Goals (SDGs) and their corresponding targets in quantifiable terms. In conjunction with detailing the financial allocations for departmental schemes, the Outcome Budget document also encompasses projected outputs and outcomes of these schemes/programmes. In order to achieve Assam Vision 2030 and map the developments made under different areas, the departments have been grouped under thirteen budgetary thematic areas.

**Table 2: Thematic area-wise listing of different departments**

Themes	Thematic Areas	List of Departments
	Agriculture and Allied Activities	Agriculture Animal Husbandry & Veterinary Fisheries Irrigation
	Finance	Excise Finance
	Food, Civil Supplies and Cooperation	Co-operation Food, Civil Supplies & Consumer Affairs
	Forests, Environment and Natural Resource Management	Environment & Forest Revenue & Disaster Management Science and Technology Soil Conservation Water Resources (Flood Control)
	Human Development and Social Welfare	Cultural Affairs Health and Family Welfare Higher Education Education (Secondary) Education (Technical) Education (Elementary) Information and Technology Labour & Welfare Medical Education & Research Public Health Engineering (PHE) Skill, Employment and Entrepreneurship Social Justice and Empowerment Sports and Youth Welfare Transformation and Development Women and Child Development
	Industrial Development	Handloom, Textiles & Sericulture Industries and Commerce Tourism

Themes	Thematic Areas	List of Departments
	Power and Energy	Power (Electricity) Mines and Minerals
	Public Administration and Governance	Administrative Reforms and Training General Administration Guwahati Development Information and Public Relations Pension & Public Grievances Printing & Stationery
	Public Works	Public Works Buildings and NH Public Works Roads
	Rural Development	Panchayat & Rural Development
	State Security, Law, and Order	Border Protection and Development Home Judicial Legislative
	Urban Development, Transport and Housing	Transport Urban Development
	Welfare of Indigenous Groups	Tea Tribes and Adivasi Welfare Tribal Affairs (Plains) Welfare of Minorities and Development

### Mapping Schemes to Sustainable Development Goals

Efforts have been made to link every scheme/programme operational in the state to one (or more) SDGs to map the contribution of scheme-level outcomes to the achievement of SDGs. Each budgetary allocation has been linked to outcomes that align with Assam Vision 2030 and the State Indicator Framework, formulated in accordance with the Sustainable Development Goals (SDGs). Expenditure items directly associated with one or, in certain instances, more than one of the 17 SDGs and their corresponding targets will be appropriately labelled with the corresponding SDG and Target.

The mapping of schemes to SDGs is undertaken exclusively for schemes categorized as either State Owned Priority Development (SOPD), Centrally Sponsored Schemes (CSS), or other schemes that do not fall under Establishment Expenditure (EE).

Based on the reporting by various departments under each thematic area, it is interesting to see the contribution of each thematic area towards multiple SDGs.

Figure 1: Depiction of thematic areas and SDGs linked

The following table indicates the different departments' contribution towards one or multiple Sustainable Development Goals which are further mapped with broader targets in the Outcome Budget Statement. In order to understand the respective targets under each SDG of each department, please refer to the detailed list of SDGs with their targets in Annexure I.

Table 3: List of departments and SDGs linked

Department Name	SDGs Linked
Administrative Reforms and Training	 
Agriculture	     
Animal Husbandry & Veterinary	      
Border Protection & Development	 
Co-operation	 
Cultural Affairs	  
Environment & Forest	  
Excise	 
Finance	 
Fisheries	  
Food, Civil Supplies & Consumers Affairs	 
General Administration	
Guwahati Development	 
Handloom, Textiles & Sericulture	 
Health and Family Welfare	
Higher Education	 
Education (Secondary)	

Education (Technical)	
Education (Elementary)	 
Home	 
Information and Technology	    
Information and Public Relations	  
Irrigation	
Judicial	
Labour & Welfare	  
Legislative	 
Medical Education & Research	 
Mines and Minerals	 
Panchayat & Rural Development	       
Pension & Public Grievance	 
Power (Electricity)	
Printing & Stationery Department	
Public Health Engineering	
Public Works (Building & NH)	    
Public Works (Roads)

Urban Development	    
Water Resources (Flood Control)	  
Welfare of Minorities and Development	    
Women and Child Development	       

The Outcome Budget Statement for the financial year (FY) 2024-25 presents:

1. Budget Outlay

- Budget Estimate (BE) of FY 2024-25
- Revised Estimate (RE) of FY 2023-24
- Actuals (A) of FY 2022-23

2. Quantifiable Output against the outlays for FY 2024-25

3. Measurable output and outcome indicators for FY 2024-25

4. Specific output and outcome targets for FY 2024-25

5. The mapped Sustainable Development Goal and Target for the expenditure item

All initiatives affiliated with a department are included in the Outcome Budget and are regularly revised utilizing the state's Financial Management Information System (FMIS). Through this process, the Government endeavours to instil a model of transparent and improvement-oriented financial planning within the framework of the Government's development agenda. The Government is committed to scrutinizing the performance of Departments by assessing their adherence to the commitments outlined in the Outcome Budget for the financial year.

## **SECTION IV**

**Highlights of Outcome  
Budget for FY 2024-25**

## Thematic Area I: Agriculture and Allied Activities

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Horticulture Mission for North East and Himalayan States</b>	
<ul style="list-style-type: none"> <li>Ensuring nutritional security by increase in the production of horticultural crops and reduction in loss of perishable fruits and vegetables</li> <li>Doubling of farmers' income and increase in the avenues of employment generation for youth</li> </ul>	<ul style="list-style-type: none"> <li>7 percent increase in the production of horticultural crops targeted from the previous year.</li> <li>Around 6000 new (direct and indirect) employment opportunities to be created under the Horticulture sector.</li> <li>33,795 hectares of land to be brought under micro-irrigation for increasing the production of horticultural crops under Pradhan Mantri Krishi Sinchai Yojana (PMKSY)</li> </ul>
<b>Disaster Management Programme (Flood Damage Restoration)</b>	
<ul style="list-style-type: none"> <li>Benefitting the farmers by restoring the production of crops in the flood affected areas</li> </ul>	<ul style="list-style-type: none"> <li>19% flood hit areas to be covered under the cultivation of Paddy and Rabi vegetables</li> </ul>
<b>Rural Infrastructure Development Fund</b>	
<ul style="list-style-type: none"> <li>Increasing the irrigation potential and enabling multi-cropping pattern to increase income of the farmers</li> </ul>	<ul style="list-style-type: none"> <li>1 lakh shallow tube wells to be installed and 6000 MT capacity Godowns to be constructed for storage of seeds</li> </ul>
<b>Livestock Health and Disease Control (ESVHD-MVU)</b>	
<ul style="list-style-type: none"> <li>Reduction of economically important livestock and poultry diseases and thereby uplifting the rural economy</li> </ul>	<ul style="list-style-type: none"> <li>180.77 Lakh livestock population to be covered</li> </ul>
<b>Organisation of 200 Dairy Cooperative Societies</b>	
<ul style="list-style-type: none"> <li>Bringing the unorganized Dairy farmers into an organised sector</li> </ul>	<ul style="list-style-type: none"> <li>11,000 dairy farmers to be registered with the dairy cooperative societies</li> </ul>
<b>Rejuvenation of Town Milk Supply Scheme (RIDF)</b>	
<ul style="list-style-type: none"> <li>Increase in marketing avenues for the dairy farmers</li> </ul>	<ul style="list-style-type: none"> <li>New Milk Plants to be established at Dibrugarh (processing unit), Khanapara and Jorhat (multi brand milk parlour) and extension of the existing plants</li> </ul>
<b>Group Accidental Insurance Scheme (GAIS)</b>	
<ul style="list-style-type: none"> <li>Provision of insurance cover to the fishers</li> </ul>	<ul style="list-style-type: none"> <li>Around 2 lakh fishers to be covered under the insurance benefit</li> </ul>

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Dhansiri Irrigation Project under Long Term Irrigation Fund (LTIF), NABARD</b>	
<ul style="list-style-type: none"> <li>Holistic development of the Udalguri district in Assam (located at the Tri-junction of Assam, Arunachal Pradesh and Bhutan) by expansion of agricultural production and improving the socio-economic conditions of the district</li> </ul>	<ul style="list-style-type: none"> <li>38,615 hectares of crop land to be brought under irrigation</li> </ul>

### SDGs Covered

## Thematic Area II: Finance

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Orunodoi</b>	
<ul style="list-style-type: none"> <li>Upliftment of financial status and empowerment of women in the society</li> <li>An amount of Rs. 1250 per month, which includes power subsidy of Rs. 250, is directly credited to the Bank accounts of women, Divyang beneficiaries</li> </ul>	<ul style="list-style-type: none"> <li>27.61 lakh beneficiaries to be covered under this scheme</li> <li>It will improve health index of the family and reduce poverty</li> </ul>
<b>Assam Microfinance Incentive and Relief Scheme</b>	
<ul style="list-style-type: none"> <li>Incentive and relief to women borrowers, who availed small loans from different Microfinance lending institutions.</li> <li>The incentive is expected to maintain good credit discipline of the borrowers so that their accounts remain standard and credit culture is reinforced</li> </ul>	<ul style="list-style-type: none"> <li>2.2 Lakhs women to be benefitted under this scheme</li> <li>The borrowers would be in a position to obtain further loan from the Microfinance Institutions</li> </ul>
<b>Assam Tea Industries Special Incentive Scheme (ATISIS)</b>	
<ul style="list-style-type: none"> <li>To increase the production of Orthodox and Speciality Tea</li> <li>To shift the manufacturers from production of CTC to Orthodox and Speciality Tea</li> </ul>	<ul style="list-style-type: none"> <li>800 tea gardens to be provided financial assistance under this scheme</li> <li>It will boost the production of Orthodox and Speciality Tea and help in economic growth of Tea planters</li> </ul>
<b>Apon Ghar</b>	
<ul style="list-style-type: none"> <li>1% Interest Subvention to be provided to the permanent State Government employees against housing loan</li> </ul>	<ul style="list-style-type: none"> <li>It will provide financial relief to the permanent State Government employees and ease the access to housing loans</li> </ul>
<b>Apun Bahan</b>	
<ul style="list-style-type: none"> <li>Interest Subvention to be provided to the permanent State Government employees against motor vehicle loan</li> <li>Male employees will get 2% interest subsidy for purchasing diesel/petrol vehicles and 3% subsidy for electric vehicles, while woman &amp; divyangjan (differently abled) employees will get 3% interest subsidy for purchasing any kind of vehicle</li> </ul>	<ul style="list-style-type: none"> <li>It will provide financial relief to the permanent State Government employees and ease the access to motor vehicle loans</li> </ul>

### SDGs Covered

## Thematic Area III: Food, Civil Supplies and Cooperation

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>National Food Security Scheme</b>	
<ul style="list-style-type: none"> <li>• Distribution of new ration cards amongst Antyodaya Anna Yojana (AAY) and Priority Household (PHH) beneficiaries</li> <li>• Financial support to Gaon Panchayat-Level Cooperative Societies (GPSS) for transportation cost and fair price shop dealer for margin money</li> </ul>	<ul style="list-style-type: none"> <li>• Expected to achieve the beneficiaries target of 2,52,18,002 in the State</li> <li>• Ensuring authenticated distribution of free rice to beneficiaries under NFSA through electronic point of sales</li> <li>• Implementation of One Nation One Ration Card (ON-ORC) Scheme in the State</li> <li>• 100 % aadhar authenticated transaction through electronic point of sale</li> </ul>
<b>Subsidy to Other Co-Operatives and Women Co-operative Societies</b>	
<ul style="list-style-type: none"> <li>• Cooperative societies will be strengthened through financial assistance</li> <li>• Financial assistance to women Cooperative societies which are significant contributor to women's ability to earn an income</li> </ul>	<ul style="list-style-type: none"> <li>• Uplift the business productivity and economic emancipation of the rural population</li> <li>• Support economic and social empowerment and increase well-being for women and their families</li> </ul>
<b>Construction of Multi Commodity Cold Storage</b>	
<ul style="list-style-type: none"> <li>• Enhance post-harvest management of agricultural products through creation of multi commodity cold storage</li> </ul>	<ul style="list-style-type: none"> <li>• Greater storage facilities, more employment and storage benefits to farmers accessing cold storage facilities</li> </ul>

### SDGs Covered

## Thematic Area IV: Forests, Environment and Natural Resource Management

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>National Park &amp; Wild Life Sanctuary</b>	
<ul style="list-style-type: none"> <li>• Construction of anti-poaching Camp, watch tower, patrolling path, fair weather road, bridge, culvert etc.</li> <li>• Management of the habitat involving improvement of water bodies, fire line creation, weed eradication etc.</li> <li>• Ensuring Eco development</li> <li>• Undertaking ancillary activities and procurement of equipments</li> <li>• Promoting Eco-tourism</li> </ul>	<ul style="list-style-type: none"> <li>• Improving efficiency in protection duty</li> <li>• Reduction in human-wildlife conflict</li> <li>• Increase in population of wild animal species</li> <li>• Socio-economic status improvement in the fringe communities by ensuring their participation in conservation and protection of BR</li> <li>• Better conservation management and protection of the BR</li> <li>• Harness the goodwill of fringe communities</li> </ul>
<b>Compensatory Afforestation Fund Management and Planning Authority</b>	
<ul style="list-style-type: none"> <li>• Creation of new plantation</li> <li>• Maintenance of earlier created plantation and nurseries</li> </ul>	<ul style="list-style-type: none"> <li>• Enhancing of forest and green cover, carbon sequestration, climate change mitigation, soil &amp; water conservation, production of seedlings for plantation and public distribution</li> </ul>
<b>Integrated Development of Wildlife Habitats</b>	
<ul style="list-style-type: none"> <li>• Construction and maintenance of anti-poaching camp, watch towers, bridges etc.</li> <li>• Habitat Management</li> <li>• Strengthening staff welfare activities and anti-poaching activities</li> </ul>	<ul style="list-style-type: none"> <li>• Efficiency in protection duty, mitigate Human-Animal Conflict</li> <li>• Minimize poaching of wild animals and destruction of habitats in the PAs</li> <li>• Improvement of habitat</li> <li>• Reduction of human-wildlife conflict</li> <li>• Better management and protection of wild animals and their habitats</li> </ul>
<b>Institute of Wildlife Health &amp; Research</b>	
<ul style="list-style-type: none"> <li>• Establish Institute for wildlife health care research and testing facility</li> </ul>	<ul style="list-style-type: none"> <li>• Institute will provide scientific management of wildlife in the State as well as the entire North-East India and will ensure improved health-care for rescued wild animals</li> </ul>
<b>Assam Forest Bio-Diversity Project</b>	
<ul style="list-style-type: none"> <li>• To ensure sustainable forest management, bio-diversity conservation, community engagement and institutional strengthening of forest department</li> </ul>	<ul style="list-style-type: none"> <li>• Enhanced sustainable and participatory forest management under changing climatic conditions</li> <li>• Sustainable and participatory management of biodiversity/ ecosystems</li> <li>• Improved livelihood of forest dependent communities</li> <li>• Strengthened institutional capacities for inclusive management of natural resources</li> </ul>

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Assam State Disaster Management Authority</b>	
<ul style="list-style-type: none"> <li>● Implementation of Sendai Framework for Disaster Risk Reduction</li> <li>● Strengthening of State Disaster Management Authority (SDMA) &amp; District Disaster Management Authorities (DDMAs)</li> <li>● Capacity building for disaster response</li> </ul>	<ul style="list-style-type: none"> <li>● Implementation of SFDRR will strengthen disaster risk governance to manage disaster risk and also helps in enhancing disaster preparedness for effective response and to “Build Back Better” in recovery, rehabilitation and reconstruction</li> <li>● Assisting District Disaster Management Authority for the prevention, mitigation, preparedness, and capacity building to deal with the threatening disaster situations</li> <li>● Strengthening disaster management governance system by enhancing capacity of stakeholders at various levels including govt. officials, community, NGOs, response agencies etc.</li> </ul>
<b>Mission Basundhara</b>	
<ul style="list-style-type: none"> <li>● The mission envisages to reduce the pendency in updation of land records, through mission mode accelerated disposal of services sought by citizens and creating an ease of doing business environment in the land management eco-system</li> </ul>	<ul style="list-style-type: none"> <li>● Settlement of Land to indigenous landless people, ownership rights to Raiyats, Property Card in NC Villages and Map as a Service after resurvey of cadastral villages</li> </ul>
<b>Arundhati Gold Scheme</b>	
<ul style="list-style-type: none"> <li>● Financial Assistance of @Rs.40,000/- to the economically backward newly married bride (beneficiary) whose annual family income is less than Rs.5 lakh for purchase of Gold</li> </ul>	<ul style="list-style-type: none"> <li>● Boosting socio-economic development by providing relief to economically backward newly married bride from the financial burden of purchase of gold</li> </ul>
<b>Green Innovation Fund</b>	
<ul style="list-style-type: none"> <li>● Exploring, generating, and nurturing of Green Sustainable technologies</li> <li>● Promoting self-sufficiency to innovators, society, and commercialization</li> </ul>	<ul style="list-style-type: none"> <li>● Utilizing the outcome of R&amp;D on Green Technologies for commercialisation and upliftment of the innovators, entrepreneurs, students</li> </ul>
<b>Bio-Technology Park-Construction of Incubation Centre</b>	
<ul style="list-style-type: none"> <li>● Construction of Incubation Centre (Phase II) for promotion of Biotechnology in the region</li> </ul>	<ul style="list-style-type: none"> <li>● An increased number of startups entering the incubation programme will contribute to the growth of entrepreneurship in the biotechnology sector in the region</li> <li>● As startups grow, they are likely to create job opportunities, contributing to local employment and economic development and attracting investments and contributing to the overall economic growth of the region</li> <li>● Sustainable facility utilization will contribute to the long-term viability and success of the incubation center, ensuring ongoing support for startups and innovation</li> </ul>

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Science City</b>	
<ul style="list-style-type: none"> <li>Construction of Science City for Advancement of Scientific Research, Economic Development, Technological innovations, knowledge sharing having deep cultural and social impact</li> </ul>	<ul style="list-style-type: none"> <li>Increased public interest and engagement in science, enhanced STEM education, fostering innovation and creativity, and contributing to economic development through the advancement of scientific knowledge and technologies</li> </ul>
<b>Guwahati Planetarium and Setting-up of New Planetariums</b>	
<ul style="list-style-type: none"> <li>Guwahati Planetarium: Construction of Multi-Activity Centre will facilitate the students and children in particular, and public in general of the entire State as well as the north-eastern region of the Country in the field of Science &amp; Technology</li> <li>Setting-up of new Planetarium at Nalbari, North Lakhimpur, Kokrajhar and other places</li> </ul>	<ul style="list-style-type: none"> <li>Scientific programmes and Activities within the Centre will increase the participation of Students and Children, generating a scientific mindset in the Society, removing age old myths and misconceptions, boosting revenue earning</li> <li>Popularization of Astronomy and Space Science among masses through various activities</li> </ul>
<b>Integrated Watershed Management Programme</b>	
<ul style="list-style-type: none"> <li>Treatment of Watershed Area &amp; Provide livelihood to the stake holders along with employment generation</li> </ul>	<ul style="list-style-type: none"> <li>Combat desertification, restore degraded land for sustainable development of agriculture. Farmers benefitted in terms of income and livelihood</li> </ul>
<b>Gully Control Work</b>	
<ul style="list-style-type: none"> <li>Further advancement of gully erosion stopped</li> <li>520 m3 of RCC area would be benefitted from soil erosion</li> </ul>	<ul style="list-style-type: none"> <li>Impounding of water in the agricultural field as a result will enhance productivity in the field</li> </ul>
<b>Provision for Other New Schemes in Brahmaputa and Barak Valley</b>	
<ul style="list-style-type: none"> <li>Upgradation of old dilapidated embankment system of Brahmaputra, Borak &amp; their tributaries, anti-erosion works including closing of breached embankments of 2022 floods</li> </ul>	<ul style="list-style-type: none"> <li>Improved embankment system of Brahmaputra, Barak &amp; their tributaries and also provide relief from flood &amp; erosion</li> </ul>
<b>Rejuvenation of Kollong River</b>	
<ul style="list-style-type: none"> <li>To activate Kollong river &amp; improving the aquatic environment and aesthetic looks of the river side in few locations</li> </ul>	<ul style="list-style-type: none"> <li>Provide opportunities for recreation as part of daily life allowing stress relief and enjoyment as well as activities such as fishing, cycling and watching wildlife</li> </ul>
<b>Assam Integrated River Basin Management Project</b>	
<ul style="list-style-type: none"> <li>To construct new embankment in existing gap portion in Brahmaputra Valley</li> </ul>	<ul style="list-style-type: none"> <li>Provide relief from flood inundation in flood affected areas of Brahmaputra Valley</li> </ul>

### SDGs Covered

## Thematic Area V: Human Development and Social Welfare

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Development of Culture Activities, Fair Festivities</b>	
<ul style="list-style-type: none"> <li>Recognition of the contribution of artists towards development of Art and Culture in Assam</li> </ul>	<ul style="list-style-type: none"> <li>Around 100 artists/families (of the deceased artists) to be supported through one-time financial assistance of Rs. 50,000/- under the 'Barxik Silpi Samman' and one-time GIA of Rs. 50,000/-</li> </ul>
<b>Chief Minister's Special Scheme (To Complete Jyoti Bisnu Cultural Centers in all the Districts of Assam)</b>	
<ul style="list-style-type: none"> <li>Promotion of Art and Culture in the State</li> </ul>	<ul style="list-style-type: none"> <li>35 'Cultural Prkalpas' to be established in various districts of Assam under the Programme of completion of Jyoti Bishnu Cultural Centers in the State.</li> </ul>
<b>National Mission on AYUSH including mission on Medicinal plants</b>	
<ul style="list-style-type: none"> <li>Increasing the coverage of the population under AYUSH Health Delivery System</li> </ul>	<ul style="list-style-type: none"> <li>200 new Ayushman Ayush Arogya Mandirs (formerly known as HWCs) to be established.</li> </ul>
<b>Head Quarters Establishment</b>	
<ul style="list-style-type: none"> <li>Improvement in Gross Enrolment Ratio (GER) by encouraging higher education and reducing financial burden on the parents</li> </ul>	<ul style="list-style-type: none"> <li>5.6 lakh students to be benefitted under the Fee Waiver Scheme in Government and Provincialized Colleges and State Universities</li> </ul>
<b>Pragyan Bharati</b>	
<ul style="list-style-type: none"> <li>Encouraging Higher Education by providing Scooter to Boys and Girls under Bani Kanta Kakati Award)</li> </ul>	<ul style="list-style-type: none"> <li>35,770 students to be benefitted.</li> </ul>
<b>New India Literacy Programme</b>	
<ul style="list-style-type: none"> <li>Increase the Literacy Rate of the State by the promotion of lifelong learning and skills and creation of jobs for the illiterate adults</li> </ul>	<ul style="list-style-type: none"> <li>6.72 lakh adults to be benefitted.</li> </ul>
<b>Chief Ministers Special Scheme (Dr. Banikanta Kakoti Computer Literacy Programme, 2017)</b>	
<ul style="list-style-type: none"> <li>Improvement in Computer Literacy and IT Skills among the students</li> </ul>	<ul style="list-style-type: none"> <li>1315 schools benefitted in the State.</li> </ul>
<b>Assam Bikash Yojana</b>	
<ul style="list-style-type: none"> <li>Improvement in Gross Enrolment Ratio (GER) by encouraging secondary education and reducing financial burden of education for BPL families</li> </ul>	<ul style="list-style-type: none"> <li>2 lakh students to be benefitted under the Fee Waiver Scheme</li> </ul>
<b>Free Bicycle Distribution under SoPD Scheme</b>	
<ul style="list-style-type: none"> <li>Reduction in Drop-out Ratio and encouragement to secondary education</li> </ul>	<ul style="list-style-type: none"> <li>4 lakh students to be benefitted.</li> </ul>

<b>Assam Knowledge Network</b>	
<ul style="list-style-type: none"> <li>Improvement of internet infrastructure for a healthy GDP growth and harvesting knowledge from the society</li> </ul>	<ul style="list-style-type: none"> <li>1000 Government offices to be connected through high-speed network.</li> </ul>
<b>Formation of Labour Welfare Society</b>	
<ul style="list-style-type: none"> <li>Promoting socio economic development of the labours across the State of Assam by enactment and implementation of various labour welfare schemes</li> </ul>	<ul style="list-style-type: none"> <li>100% eradication of child labour targeted</li> <li>Child Labour Rehabilitation Fund and corpus fund for rehabilitation of bonded labour to be maintained for 10 districts.</li> </ul>

<ul style="list-style-type: none"> <li>Provision of Vocational Education to the Specially abled people</li> </ul>	<ul style="list-style-type: none"> <li>1 ITI would be specially established for the Divyang people</li> </ul>
<b>Assistive Devices for Person with Disabilities</b>	
<ul style="list-style-type: none"> <li>Provision of assistive devices to persons with disabilities to improve their day-to-day lives.</li> </ul>	<ul style="list-style-type: none"> <li>Around 500 persons with disabilities to be covered.</li> </ul>
<b>One Time Special Grant for Development of SC Community-NULL</b>	
<ul style="list-style-type: none"> <li>Financial support to promote self-employment and income generation for the SC community.</li> </ul>	<ul style="list-style-type: none"> <li>29,000 beneficiaries to be covered under one time special grant.</li> </ul>
<b>Scheme for Adolescent Girls (SAG)</b>	
<ul style="list-style-type: none"> <li>Improvement in the health condition of Adolescent Girls with proper nutrition.</li> </ul>	<ul style="list-style-type: none"> <li>6.7 lakh adolescent girls to be benefited.</li> </ul>
<b>Palna</b>	
<ul style="list-style-type: none"> <li>Enabling working women to continue participating in the labour market by providing safe space for nurturing of their children.</li> </ul>	<ul style="list-style-type: none"> <li>611 creches to be constructed in the State.</li> </ul>

## Integrated Child Development Service Scheme (ICDS)

- Reduction in the level of stunting, under-nutrition, anaemia and low-birth babies
- Around 32 lakh babies, pregnant and lactating mothers to be provided with pre-school education, immunisation, nutrition, health education and referral services.

## SDGs Covered

## Thematic Area VI: Industrial Development

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Support to MSME under Assam Credit Guarantee to Micro &amp; Small Enterprises Scheme</b>	
<ul style="list-style-type: none"> <li>Ensuring that MSMEs have access to adequate and timely credit without the need for conventional collateral</li> <li>Encouraging entrepreneurship and fostering the growth of MSMEs as crucial contributors to economic development</li> <li>Providing a credit guarantee mechanism to financial institutions to encourage them to lend to MSMEs by mitigating the risk of default</li> <li>Supporting MSMEs, and promoting financial inclusion</li> </ul>	<ul style="list-style-type: none"> <li>25400 enterprises to be benefited</li> <li>It will increase credit access for MSMEs, job creation, stimulate entrepreneurship, reduce financial constraints, improve credit culture</li> </ul>
<b>Celebrating 200 years of SAAH (Assam Tea) Promotion of Assam Tea including incentives</b>	
<ul style="list-style-type: none"> <li>Celebrating the rich history and heritage of Assam Tea, acknowledging its significance in the region's culture and economy</li> <li>Encouraging and supporting tea producers to maintain and improve the quality of Assam Tea to meet international standards and consumer preferences</li> <li>Promotion of small tea growers and providing incentives</li> </ul>	<ul style="list-style-type: none"> <li>It will lead to increase in tea production, income generation for small growers, enhanced quality standards etc.</li> </ul>
<b>National Bamboo Mission (NBM)-Development of Bamboo Sector</b>	
<ul style="list-style-type: none"> <li>Development of the entire bamboo value chain</li> <li>Increase in the bamboo plantation in non-forest land of Assam</li> <li>Improvement of productivity by use of improved planting stock and scientific management practices</li> <li>Encouragement in bamboo-based entrepreneurship in Assam</li> <li>Generation of awareness about the socio-economic potential of bamboo</li> <li>Skill development of artisans for sustainable employment</li> <li>Increase in effective market linkages</li> </ul>	<ul style="list-style-type: none"> <li>Availability of better quality Bamboo stock, facilities for proper treatment of bamboo and processing, better quality products, marketing avenues, skilled artisans</li> <li>100 numbers of artisans and entrepreneurs are to be skilled</li> </ul>
<b>Raising And Accelerating MSME Productivity (RAMP) Scheme</b>	
<ul style="list-style-type: none"> <li>Improving access to market and credit and strengthening institutions and governance at the State</li> </ul>	<ul style="list-style-type: none"> <li>Identifying and mobilising a minimum 1000 MSMEs in the State, ensuring completed Strategic Investment Plans (SIPs) within stipulated time frame</li> </ul>

<b>Construction of Unity Mall in Guwahati</b>	
<ul style="list-style-type: none"> <li>Promotion of One District One Product along with creation of platform for selling of GI products of the State</li> </ul>	<ul style="list-style-type: none"> <li>The Unity Mall will help in promoting national unification along with taking forward the concept of Make in India</li> </ul>
<b>Subsidy for implementation of new Industrial Policy</b>	
<ul style="list-style-type: none"> <li>Attract MSME and Mega investors in Assam through attractive incentives thereby generating local employment</li> </ul>	<ul style="list-style-type: none"> <li>It will increase local employment generation, boost economic growth, technology transfer and also improve standard of living</li> </ul>
<b>State Share for Infrastructure Development Project under promotion of MSME in NE &amp; Sikkim-Industrial Development Project</b>	
<ul style="list-style-type: none"> <li>Creating and upgrading existing industrial estates/areas with essential infrastructure like roads, drainage, power, telecommunication, water supply, waste management, etc.</li> </ul>	<ul style="list-style-type: none"> <li>With the creation of new industrial estates, flated industrial complex, there are approximately 680 nos. of MSMEs that can avail the plots for setting up of their ventures</li> </ul>
<b>Handloom Cluster Development Programme</b>	
<ul style="list-style-type: none"> <li>Improve income and livelihood of handloom weavers</li> <li>Enhance the quality and marketability of handloom products</li> <li>Promote traditional weaving skills and designs.</li> <li>Create a sustainable ecosystem for the handloom industry</li> </ul>	<ul style="list-style-type: none"> <li>400 weavers to be benefited</li> <li>Expected to enhance the income of weavers and generate self-employment opportunities</li> </ul>
<b>Handloom Model Village</b>	
<ul style="list-style-type: none"> <li>Provide skill training on improved looms, provision of looms and new design and marketing linkage</li> </ul>	<ul style="list-style-type: none"> <li>500 weavers to be benefited.</li> <li>Expected to enhance the income of weavers and generate self -employment opportunities</li> </ul>
<b>Procurement of Gamocha, Aronai etc from indigenous weavers</b>	
<ul style="list-style-type: none"> <li>Procurement of 33 types of handloom products from the indigenous weavers without involvement of middle-man</li> </ul>	<ul style="list-style-type: none"> <li>564811 weavers to be benefited</li> <li>Expected to promote hand-woven products of the state by providing direct financial benefit and generate self-employment opportunities</li> </ul>
<b>Upkeeping of the Govt. Eri, Muga &amp; Mulberry Farms</b>	
<ul style="list-style-type: none"> <li>Muga and Mulberry farmers are supported for employment generation and empowerment</li> </ul>	<ul style="list-style-type: none"> <li>56000 Muga and Mulberry farmers to be benefited.</li> <li>It will help to enhance production and productivity</li> </ul>
<b>Assam Silk Outreach Mission (Muga)</b>	
<ul style="list-style-type: none"> <li>Muga farmers are supported with plantation to increase rearing capacity and enhancement of their production</li> </ul>	<ul style="list-style-type: none"> <li>29000 Muga farmers to be benefitted</li> <li>Generation of self-employment opportunities</li> </ul>
<b>Punya Dham scheme</b>	
<ul style="list-style-type: none"> <li>Senior citizens are taken on tours to Vrindavan, Puri, Ajmer, Vaishno Devi etc.</li> </ul>	<ul style="list-style-type: none"> <li>2000 pilgrims are taken on tour</li> <li>Promotion of religious tourism and economic development of the people residing in the surrounding areas</li> </ul>

Amaar Aalohi Rural Homestay Scheme	
<ul style="list-style-type: none"> <li>Home-stay facilities for increase in tourist growth</li> </ul>	<ul style="list-style-type: none"> <li>The scheme will benefit the unemployed youths mostly in the rural areas in the field of tourism which will result in increase in the tourist footfalls</li> </ul>
Tourist Information and Publicity- Raas Mahotsav at Majuli, Nalbari, Barpeta & different places of Assam	
<ul style="list-style-type: none"> <li>Promotion of festivals from cultural point of view</li> </ul>	<ul style="list-style-type: none"> <li>Increase in tourist footfall and revenue generation</li> </ul>

### SDGs Covered

## Thematic Area VII: Power and Energy

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Assam Electricity Grid Corporation Limited (AEGCL)</b>	
<ul style="list-style-type: none"> <li>Contribution to Assam State Electricity Board (ASEB) Pension Fund Trust covering 20,034 pensioners</li> <li>Two transformers to be augmented               <ul style="list-style-type: none"> <li>19.3 kms of 132kV line to be constructed</li> <li>68.5 kms of 132kV line to be stringed</li> </ul> </li> <li>Construction of 132kV Line Bay at 132kV APM Grid Sub Station (GSS) alongwith Extension and Strengthening of the Bus System (Phase-I)</li> <li>State Support for Turnkey Construction of 2x50 MVA, 132/33kV GIS (Gas Insulated Substation) at Existing 220/132kV Amingaon Gas Insulated Sub-station (GIS) under NESIDS (North East Special Infrastructure Development Schemes)</li> </ul>	<ul style="list-style-type: none"> <li>Provide Govt. support towards payment of pension to the retired employees of erstwhile ASEB</li> <li>Augmentation of existing load demand in upcoming 5-7 years</li> <li>Stringing of line will help to cope-up with the reasonable increasing load demand in the various districts</li> <li>Construction of the new bay along with the Bus extension and augmentation to supply power to the upcoming Logistics Park and reliability of power supply in the region</li> <li>Construction of the new sub-station will bridge the projected shortfall of around 60 Mega Watt besides improving the quality of power while feeding the wide area (which includes connectivity to medical institutions and other developmental projects)</li> </ul>
<b>Enhancement of Intra State Transmission System of Assam: Assam Electricity Grid Corporation Limited</b>	
<ul style="list-style-type: none"> <li>Construction of new sub-stations and transmission lines, Augmentation of existing transformers at existing substations, replacement of ground wire with OPGW, conversion from Air Insulated Substation to Gas Insulated Substation</li> </ul>	<ul style="list-style-type: none"> <li>To meet the forecasted load demand of 4196 MW of power by 2026-27, to reduce the transmission loss of Assam from existing 3.375% to 2.807%, to achieve Transmission Network availability of 99.87% against present availability factor of 98.5%</li> </ul>
<b>Implementation of 1000 MW Solar Power Project under Mukhya Mantri Sauro Shakti Prokolpo</b>	
<ul style="list-style-type: none"> <li>The 1000 MW Solar Project will be the first Ultra-Mega Solar Power Project in the North-Eastern Region</li> <li>Residential consumers of APDCL applied for Grid connected rooftop solar in their premises online</li> </ul>	<ul style="list-style-type: none"> <li>To enhance clean energy generation and reduce carbon emissions in the country</li> <li>The rooftop solar plants will reduce the energy bills of the consumers and generate green energy. The excess energy generated can also be exported to the grid</li> </ul>
<b>Directorate of Geology &amp; Mining</b>	
<ul style="list-style-type: none"> <li>Exploration of mineral and Ground Water in different parts of Assam -150 Sq. KM</li> <li>Drilling 1100 m 3. 7 blocks of Limestone</li> <li>Implementation Assam Mineral regulation and Dealer's Rule 2020</li> </ul>	<ul style="list-style-type: none"> <li>Enhancement of Revenue</li> </ul>

### SDGs Covered

## Thematic Area VIII: Public Administration and Governance

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Assam Administrative Staff College</b>	
<ul style="list-style-type: none"> <li>Setting up of four Training Institute for Gr. III and Gr. IV staff at Guwahati, Majuli, Bongaigaon, and Silchar</li> </ul>	<ul style="list-style-type: none"> <li>To develop the infrastructure of the Training Institutes proposed to be set up at Majuli and Silchar which will facilitate capacity building of target group and skill upgradation</li> </ul>
<b>Assam State Information Commission</b>	
<ul style="list-style-type: none"> <li>To make available the facility of hybrid mode of Hearing at the Office of AIC for petitioner and public authorities</li> </ul>	<ul style="list-style-type: none"> <li>Conducive working atmosphere for faster and efficient public service delivery</li> </ul>
<b>Online Pension Submission &amp; Tracking System-KRITAGYATA</b>	
<ul style="list-style-type: none"> <li>Digitalization of the end-to-end pension process and pushing of Pension Payment Order (PPO) to DigiLocker</li> </ul>	<ul style="list-style-type: none"> <li>To expedite the disposal of pension cases for retired Government employees and ease of retrieval of old pension records</li> </ul>
<b>Smart City Mission</b>	
<ul style="list-style-type: none"> <li>Intelligent City Surveillance project in Guwahati</li> <li>Completion of Brahmaputra Riverfront Development project and six nos. of other projects</li> </ul>	<ul style="list-style-type: none"> <li>The vision of the project is to implement a citizen friendly, holistic, integrated and responsive Intelligent City Surveillance System to achieve improvement in safety, higher productivity, integration with existing Traffic Management System</li> <li>Creating open spaces and amusement and other basic amenities like smart traffic management, security etc. for the citizens</li> </ul>
<b>Guwahati Municipal Corporation-Mission Flood Free</b>	
<ul style="list-style-type: none"> <li>Mitigation of urban flood in Guwahati City by cleaning &amp; desiltation drains and cleaning &amp; excavation of five nos. river channels in Guwahati city</li> </ul>	<ul style="list-style-type: none"> <li>Improved city hygiene and living condition of citizens</li> <li>Reduction in no of spots/locations impacted by floods and reduction in time for water evacuation in case of high floods</li> </ul>
<b>South Guwahati Central Water Supply Project &amp; North Guwahati Water Supply Project</b>	
<ul style="list-style-type: none"> <li>Construction of 2 nos Water Intake Point, 2 nos. of Water Treatment Plant and 9 nos of Reservoir, lying of approx. 1228 km pipeline (Transmission + Distribution)</li> </ul>	<ul style="list-style-type: none"> <li>Ensuring access to potable water to households</li> </ul>
<b>Publicity for Govt. Schemes</b>	
<ul style="list-style-type: none"> <li>Mass Outreach of Govt. plans, policies, schemes and achievements through Print and electronic Media</li> </ul>	<ul style="list-style-type: none"> <li>Wide publicity will help in maximum outreach of the Govt. plans, policies, schemes facilitating the benefits to needy people</li> </ul>

### SDGs Covered

## Thematic Area IX: Public Works

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Construction of High School at Tea Gardens</b>	
<ul style="list-style-type: none"> <li>● Increase &amp; improvement of facilities of education system in the tea garden areas.</li> </ul>	<ul style="list-style-type: none"> <li>● 119 schools to be constructed to provide quality education for the students of tea garden labourers.</li> </ul>
<b>Construction of Stadium</b>	
<ul style="list-style-type: none"> <li>● Promotion of advanced facilities in Sports Sector thereby inspiring the youths of Assam to participate in sports.</li> </ul>	<ul style="list-style-type: none"> <li>● 50 Mini and 10 District Stadiums to be constructed</li> </ul>
<b>PMGSY Works</b>	
<ul style="list-style-type: none"> <li>● Ensuring all weather road connectivity to rural habitations</li> </ul>	<ul style="list-style-type: none"> <li>● 1200 Kms of road length and 60 bridges to be constructed to provide 100% coverage of all-weather connectivity to the eligible rural habitations.</li> </ul>

### SDGs Covered

## Thematic Area X: Rural Development

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA)</b>	
<ul style="list-style-type: none"> <li>• Employment to the rural households through person days generation.</li> </ul>	<ul style="list-style-type: none"> <li>• 775 lakh person days to be generated by way of creation of rural infrastructure and public assets.</li> </ul>
<b>Pradhan Mantri Awas Yojana (Gramin) (PMAY-G)</b>	
<ul style="list-style-type: none"> <li>• Ensure safety, security and better living conditions for the rural poor.</li> </ul>	<ul style="list-style-type: none"> <li>• 61538 beneficiaries to be covered.</li> </ul>
<b>National Social Assistance Programme (Others)</b>	
<ul style="list-style-type: none"> <li>• Provision of social security to the Old people (BPL) of the State.</li> </ul>	<ul style="list-style-type: none"> <li>• Around 70 lakh elderly beneficiaries to be covered.</li> </ul>
<b>Indira Gandhi National Widow Pension Scheme (Others)</b>	
<ul style="list-style-type: none"> <li>• Provision of social security to the Widows (BPL) of the State</li> </ul>	<ul style="list-style-type: none"> <li>• Around 12 lakh BPL widows to be covered.</li> </ul>

### SDGs Covered

## Thematic Area XI: State Security, Law, and Order

Key Focus Areas, Objectives, and Interventions	Expected Outputs/Outcomes
<b>Cyberdome Project and Cyber Crime Police Station</b>	
<ul style="list-style-type: none"> <li>• Provision of sophisticated gadgets/tools</li> <li>• Training and prevention of any cyber misconduct</li> </ul>	<ul style="list-style-type: none"> <li>• 36 Police Districts to be provided sophisticated gadgets/tools to increase the technical intelligence gathering capabilities of the police personnel of the State</li> <li>• It will also include cyber security, cyber forensics and social media monitoring cell for reduction of any cyber misconduct</li> <li>• 36 Police District to be provided with edge technologies and trained manpower for ensuring cyber security to the citizens of the State</li> <li>• This augmentation will help to facilitate reduction in cyber misconduct</li> </ul>
<b>Mobile App - Citizen Security Management System</b>	
<ul style="list-style-type: none"> <li>• Improvement of policing through better management of data, transparency &amp; better co-ordination to reduce crime</li> </ul>	<ul style="list-style-type: none"> <li>• This enhancement will help in reducing crime through transparency and better co-ordination for providing citizen friendly services</li> </ul>
<b>Assam Police Emergency Management System (APEMS) - Dial 112</b>	
<ul style="list-style-type: none"> <li>• Introducing a Pan-India Single Emergency Response Number 112 to address all kinds of distress calls such as police, fire and ambulance etc.</li> </ul>	<ul style="list-style-type: none"> <li>• To facilitate citizens for timely addressing of distress calls and quick redressal</li> <li>• To reduce incident response time</li> </ul>
<b>Relief Operation in connection with Disturbances-Operation against Militant Raising of Assam Commando Battalion</b>	
<ul style="list-style-type: none"> <li>• To raise highly trained, equipped, and skilled force personnel in maintaining peace and security in the state of Assam by countering all types of challenges including insurgency and ensure the well-being of the people</li> </ul>	<ul style="list-style-type: none"> <li>• To enhance the efficiency of Assam Police in countering all types of crimes, offences and terrorism in the state</li> <li>• To reduce crime and insurgency in the state</li> </ul>
<b>Border Area Development programme</b>	
<ul style="list-style-type: none"> <li>• Construction of road in border areas</li> <li>• Construction of school buildings</li> <li>• Construction of community hall</li> </ul>	<ul style="list-style-type: none"> <li>• To provide basic facilities like better road connectivity, education etc. to the people living in the remote international Indo-Bangladesh and Indo-Bhutan Border</li> </ul>
<b>Border development activities in the interstate border</b>	
<ul style="list-style-type: none"> <li>• Construction of roads</li> <li>• Construction of market shed with drinking water and toilet facilities</li> </ul>	<ul style="list-style-type: none"> <li>• To uplift socio-economic condition of inter-state border areas of Assam</li> </ul>

### SDGs Covered

## Thematic Area XII: Urban Development, Transport and Housing

Key Focus Areas, Objectives and Interventions	Expected Outputs/Outcomes to be achieved
<b>(i) Regional Connectivity Scheme</b>	
<ul style="list-style-type: none"> <li>Development of Heliport In the State.</li> <li>For considering the areas such as Viability Gap Funding (VGF) claim and operational expenditure incurred towards Security and Fire Services under Regional Connectivity Scheme (RCS)</li> </ul>	<ul style="list-style-type: none"> <li>3 Heliports to be developed.</li> <li>Will Increase economic activities, communication trade etc.</li> <li>Continuation of Air connectivity upto optimum level under RCS Scheme</li> </ul>
<b>(ii) ASTC Automation</b>	
<ul style="list-style-type: none"> <li>Procurement and installation of Automation platform viz Enterprise Resource Planning (ERP) and hardware.</li> </ul>	<ul style="list-style-type: none"> <li>It will expand the Automation platform for specialized operations to cater e-services to public.</li> </ul>
<b>(iii) Assam inland water transport development society-EAP for IWT Development</b>	
<ul style="list-style-type: none"> <li>Achievement of overall infrastructural and Institutional development of Inland Water Transport Assam.</li> <li>Procurement of Vessels, Construction of River Terminals at different location</li> </ul>	<ul style="list-style-type: none"> <li>Ferry commuters will be benefited.</li> </ul>
<b>(iv) Rental housing Scheme</b>	
<ul style="list-style-type: none"> <li>Providing low cost housing to needy people.</li> </ul>	<ul style="list-style-type: none"> <li>Low cost housing will help the economically weaker section people of Assam.</li> </ul>

### SDGs Covered

## Annexure I

### SDGs with Targets

The Sustainable Development Goals (SDGs), also known as the Global Goals, were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity. The 17 SDGs are integrated - they recognize that action in one area will affect outcomes in others, and that development must balance social, economic and environmental sustainability.

SDG no.	SDG Description	Target No.	Target Description
1	Poverty Eradication	1.1	By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day
1	Poverty Eradication	1.2	By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions
1	Poverty Eradication	1.3	Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable
1	Poverty Eradication	1.4	By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance
1	Poverty Eradication	1.5	By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters
1	Poverty Eradication	1.a	Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions
1	Poverty Eradication	1.b	Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender-sensitive development strategies, to support accelerated investment in poverty eradication actions

SDG no.	SDG Description	Target No.	Target Description
2	Zero Hunger	2.1	By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round
2	Zero Hunger	2.2	By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons.
2	Zero Hunger	2.3	By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment
2	Zero Hunger	2.4	By 2030, ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production, that help maintain ecosystems, that strengthen capacity for adaptation to climate change, extreme weather, drought, flooding and other disasters and that progressively improve land and soil quality
2	Zero Hunger	2.5	By 2020, maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species, including through soundly managed and diversified seed and plant banks at the national, regional and international levels, and promote access to and fair and equitable sharing of benefits arising from the utilization of genetic resources and associated traditional knowledge, as internationally agreed
2	Zero Hunger	2.a	Increase investment, including through enhanced international cooperation, in rural infrastructure, agricultural research and extension services, technology development and plant and livestock gene banks in order to enhance agricultural productive capacity in developing countries, in particular least developed countries
2	Zero Hunger	2.b	Correct and prevent trade restrictions and distortions in world agricultural markets, including through the parallel elimination of all forms of agricultural export subsidies and all export measures with equivalent effect, in accordance with the mandate of the Doha Development Round
2	Zero Hunger	2.c	Adopt measures to ensure the proper functioning of food commodity markets and their derivatives and facilitate timely access to market information, including on food reserves, in order to help limit extreme food price volatility

SDG no.	SDG Description	Target No.	Target Description
3	Good Health and Well Being	3.1	By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births
3	Good Health and Well Being	3.2	By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births.
3	Good Health and Well Being	3.3	By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases
3	Good Health and Well Being	3.4	By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being
3	Good Health and Well Being	3.5	Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol
3	Good Health and Well Being	3.6	By 2020, halve the number of global deaths and injuries from road traffic accidents
3	Good Health and Well Being	3.7	By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes
3	Good Health and Well Being	3.8	Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all
3	Good Health and Well Being	3.9	By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination
3	Good Health and Well Being	3.a	Strengthen the implementation of the World Health Organization Framework Convention on Tobacco Control in all countries, as appropriate
3	Good Health and Well Being	3.b	Support the research and development of vaccines and medicines for the communicable and non-communicable diseases that primarily affect developing countries, provide access to affordable essential medicines and vaccines, in accordance with the Doha Declaration on the TRIPS Agreement and Public Health, which affirms the right of developing countries to use to the full the provisions in the Agreement on Trade-Related Aspects of Intellectual Property Rights regarding flexibilities to protect public health, and, in particular, provide access to medicines for all

SDG no.	SDG Description	Target No.	Target Description
3	Good Health and Well Being	3.c	Substantially increase health financing and the recruitment, development, training and retention of the health workforce in developing countries, especially in least developed countries and small island developing States
3	Good Health and Well Being	3.d	Strengthen the capacity of all countries, in particular developing countries, for early warning, risk reduction and management of national and global health risks
4	Quality Education	4.1	By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes
4	Quality Education	4.2	By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education
4	Quality Education	4.3	By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university
4	Quality Education	4.4	By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship
4	Quality Education	4.5	By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations
4	Quality Education	4.6	By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy
4	Quality Education	4.7	By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development
4	Quality Education	4.a	Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, non-violent, inclusive and effective learning environments for all

SDG no.	SDG Description	Target No.	Target Description
4	Quality Education	4.b	By 2020, substantially expand globally the number of scholarships available to developing countries, in particular least developed countries, small island developing States and African countries, for enrolment in higher education, including vocational training and information and communications technology, technical, engineering and scientific programmes, in developed countries and other developing countries
4	Quality Education	4.c	By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States
5	Gender Equality	5.1	End all forms of discrimination against all women and girls everywhere
5	Gender Equality	5.2	Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation
5	Gender Equality	5.3	Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation
5	Gender Equality	5.4	Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate
5	Gender Equality	5.5	Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life
5	Gender Equality	5.6	Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the outcome documents of their review conferences
5	Gender Equality	5.a	Undertake reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance and natural resources, in accordance with national laws
5	Gender Equality	5.b	Enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women
5	Gender Equality	5.c	Adopt and strengthen sound policies and enforceable legislation for the promotion of gender equality and the empowerment of all women and girls at all levels
6	Clean Water and Sanitation	6.1	By 2030, achieve universal and equitable access to safe and affordable drinking water for all

SDG no.	SDG Description	Target No.	Target Description
6	Clean Water and Sanitation	6.2	By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations
6	Clean Water and Sanitation	6.3	By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally
6	Clean Water and Sanitation	6.4	By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity
6	Clean Water and Sanitation	6.5	By 2030, implement integrated water resources management at all levels, including through transboundary cooperation as appropriate
6	Clean Water and Sanitation	6.6	By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes
6	Clean Water and Sanitation	6.a	By 2030, expand international cooperation and capacity- building support to developing countries in water- and sanitation-related activities and programmes, including water harvesting, desalination, water efficiency, wastewater treatment, recycling and reuse technologies
6	Clean Water and Sanitation	6.b	Support and strengthen the participation of local communities in improving water and sanitation management
7	Affordable & Clean Energy	7.1	By 2030, ensure universal access to affordable, reliable and modern energy services
7	Affordable & Clean Energy	7.2	By 2030, increase substantially the share of renewable energy in the global energy mix
7	Affordable & Clean Energy	7.3	By 2030, double the global rate of improvement in energy efficiency
7	Affordable & Clean Energy	7.a	By 2030, enhance international cooperation to facilitate access to clean energy research and technology, including renewable energy, energy efficiency and advanced and cleaner fossil-fuel technology, and promote investment in energy infrastructure and clean energy technology
7	Affordable & Clean Energy	7.b	By 2030, expand infrastructure and upgrade technology for supplying modern and sustainable energy services for all in developing countries, in particular least developed countries, small island developing States, and land-locked developing countries, in accordance with their respective programmes of support

SDG no.	SDG Description	Target No.	Target Description
8	Decent Work and Economic Growth	8.1	Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross domestic product growth per annum in the least developed countries
8	Decent Work and Economic Growth	8.1	Strengthen the capacity of domestic financial institutions to encourage and expand access to banking, insurance and financial services for all
8	Decent Work and Economic Growth	8.2	Achieve higher levels of economic productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors
8	Decent Work and Economic Growth	8.3	Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services
8	Decent Work and Economic Growth	8.4	Improve progressively, through 2030, global resource efficiency in consumption and production and endeavour to decouple economic growth from environmental degradation, in accordance with the 10-year framework of programmes on sustainable consumption and production, with developed countries taking the lead
8	Decent Work and Economic Growth	8.5	By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value
8	Decent Work and Economic Growth	8.6	By 2020, substantially reduce the proportion of youth not in employment, education or training
8	Decent Work and Economic Growth	8.7	Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms
8	Decent Work and Economic Growth	8.8	Protect labour rights and promote safe and secure working environments for all workers, including migrant workers, in particular women migrants, and those in precarious employment
8	Decent Work and Economic Growth	8.9	By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products
8	Decent Work and Economic Growth	8.a	Increase Aid for Trade support for developing countries, in particular least developed countries, including through the Enhanced Integrated Framework for Trade-Related Technical Assistance to Least Developed Countries

SDG no.	SDG Description	Target No.	Target Description
8	Decent Work and Economic Growth	8.b	By 2020, develop and operationalize a global strategy for youth employment and implement the Global Jobs Pact of the International Labour Organization
9	Industry Innovation and Infrastructure	9.1	Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all
9	Industry Innovation and Infrastructure	9.2	Promote inclusive and sustainable industrialization and, by 2030, significantly raise industries' share of employment and gross domestic product, in line with national circumstances, and double its share in least developed countries
9	Industry Innovation and Infrastructure	9.3	Increase the access of small-scale industrial and other enterprises, in particular in developing countries, to financial services, including affordable credit, and their integration into value chains and markets
9	Industry Innovation and Infrastructure	9.4	By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities
9	Industry Innovation and Infrastructure	9.5	Enhance scientific research, upgrade the technological capabilities of industrial sectors in all countries, in particular developing countries, including, by 2030, encouraging innovation and substantially increasing the number of research and development workers per 1 million people and public and private research and development spending
9	Industry Innovation and Infrastructure	9.a	Facilitate sustainable and resilient infrastructure development in developing countries through enhanced financial, technological and technical support to African countries, least developed countries, landlocked developing countries and small island developing States
9	Industry Innovation and Infrastructure	9.b	Support domestic technology development, research and innovation in developing countries, including by ensuring a conducive policy environment for, inter alia, industrial diversification and value addition to commodities
9	Industry Innovation and Infrastructure	9.c	Significantly increase access to information and communications technology and strive to provide universal and affordable access to the Internet in least developed countries by 2020
10	Reduced Inequalities	10.1	By 2030, progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average

SDG no.	SDG Description	Target No.	Target Description
10	Reduced Inequalities	10.2	By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status
10	Reduced Inequalities	10.3	Ensure equal opportunity and reduce inequalities of outcome, including by eliminating discriminatory laws, policies and practices and promoting appropriate legislation, policies and action in this regard
10	Reduced Inequalities	10.4	Adopt policies, especially fiscal, wage and social protection policies, and progressively achieve greater equality
10	Reduced Inequalities	10.5	Improve the regulation and monitoring of global financial markets and institutions and strengthen the implementation of such regulations
10	Reduced Inequalities	10.6	Ensure enhanced representation and voice for developing countries in decision-making in global international economic and financial institutions in order to deliver more effective, credible, accountable and legitimate institutions
10	Reduced Inequalities	10.7	Facilitate orderly, safe, regular and responsible migration and mobility of people, including through the implementation of planned and well-managed migration policies
10	Reduced Inequalities	10.a	Implement the principle of special and differential treatment for developing countries, in particular least developed countries, in accordance with World Trade Organization agreements
10	Reduced Inequalities	10.b	Encourage official development assistance and financial flows, including foreign direct investment, to States where the need is greatest, in particular least developed countries, African countries, small island developing States and landlocked developing countries, in accordance with their national plans and programmes
10	Reduced Inequalities	10.c	By 2030, reduce to less than 3 per cent the transaction costs of migrant remittances and eliminate remittance corridors with costs higher than 5 per cent
11	Sustainable Cities and Communities	11.1	By 2030, ensure access for all to adequate, safe and affordable housing and basic services and upgrade slums
11	Sustainable Cities and Communities	11.2	By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons

SDG no.	SDG Description	Target No.	Target Description
11	Sustainable Cities and Communities	11.3	By 2030, enhance inclusive and sustainable urbanization and capacity for participatory, integrated and sustainable human settlement planning and management in all countries
11	Sustainable Cities and Communities	11.4	Strengthen efforts to protect and safeguard the worlds' cultural and natural heritage
11	Sustainable Cities and Communities	11.5	By 2030, significantly reduce the number of deaths and the number of people affected and substantially decrease the direct economic losses relative to global gross domestic product caused by disasters, including water-related disasters, with a focus on protecting the poor and people in vulnerable situations
11	Sustainable Cities and Communities	11.6	By 2030, reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality and municipal and other waste management
11	Sustainable Cities and Communities	11.7	By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities
11	Sustainable Cities and Communities	11.a	Support positive economic, social and environmental links between urban, per-urban and rural areas by strengthening national and regional development planning
11	Sustainable Cities and Communities	11.b	By 2020, substantially increase the number of cities and human settlements adopting and implementing integrated policies and plans towards inclusion, resource efficiency, mitigation and adaptation to climate change, resilience to disasters, and develop and implement, in line with the Sendai Framework for Disaster Risk Reduction 2015-2030, holistic disaster risk management at all levels
11	Sustainable Cities and Communities	11.c	Support least developed countries, including through financial and technical assistance, in building sustainable and resilient buildings utilizing local materials
12	Responsible Consumption and Production	12.1	Implement the 10-year framework of programmes on sustainable consumption and production, all countries taking action, with developed countries taking the lead, taking into account the development and capabilities of developing countries
12	Responsible Consumption and Production	12.2	By 2030, achieve the sustainable management and efficient use of natural resources
12	Responsible Consumption and Production	12.3	By 2030, halve per capita global food waste at the retail and consumer levels and reduce food losses along production and supply chains, including post-harvest losses

SDG no.	SDG Description	Target No.	Target Description
12	Responsible Consumption and Production	12.4	By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their life cycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil in order to minimize their adverse impacts on human health and the environment
12	Responsible Consumption and Production	12.5	By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse
12	Responsible Consumption and Production	12.6	Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle
12	Responsible Consumption and Production	12.7	Promote public procurement practices that are sustainable, in accordance with national policies and priorities
12	Responsible Consumption and Production	12.8	By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature
12	Responsible Consumption and Production	12.a	Support developing countries to strengthen their scientific and technological capacity to move towards more sustainable patterns of consumption and production
12	Responsible Consumption and Production	12.b	Develop and implement tools to monitor sustainable development impacts for sustainable tourism that creates jobs and promotes local culture and products
12	Responsible Consumption and Production	12.c	Rationalize inefficient fossil-fuel subsidies that encourage wasteful consumption by removing market distortions, in accordance with national circumstances, including by restructuring taxation and phasing out those harmful subsidies, where they exist, to reflect their environmental impacts, taking fully into account the specific needs and conditions of developing countries and minimizing the possible adverse impacts on their development in a manner that protects the poor and the affected communities
13	Climate Action	*	Acknowledging that the United Nations Framework Convention on Climate Change is the primary international, intergovernmental forum for negotiating the global response to climate change.
13	Climate Action	13.1	Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries
13	Climate Action	13.2	Integrate climate change measures into national policies, strategies and planning

SDG no.	SDG Description	Target No.	Target Description
13	Climate Action	13.3	Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning
13	Climate Action	13.a	Implement the commitment undertaken by developed- country parties to the United Nations Framework Convention on Climate Change to a goal of mobilizing jointly \$100 billion annually by 2020 from all sources to address the needs of developing countries in the context of
			meaningful mitigation actions and transparency on implementation and fully operationalize the Green Climate Fund through its capitalization as soon as possible
13	Climate Action	13.b	Promote mechanisms for raising capacity for effective climate change-related planning and management in least developed countries and small island developing States, including focusing on women, youth and local and marginalized communities
14	Life Below Water	14.1	By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution
14	Life Below Water	14.2	By 2020, sustainably manage and protect marine and coastal ecosystems to avoid significant adverse impacts, including by strengthening their resilience, and take action for their restoration in order to achieve healthy and productive oceans
14	Life Below Water	14.3	Minimize and address the impacts of ocean acidification, including through enhanced scientific cooperation at all levels
14	Life Below Water	14.4	By 2020, effectively regulate harvesting and end overfishing, illegal, unreported and unregulated fishing and destructive fishing practices and implement science- based management plans, in order to restore fish stocks in the shortest time feasible, at least to levels that can produce maximum sustainable yield as determined by their biological characteristics
14	Life Below Water	14.5	By 2020, conserve at least 10 per cent of coastal and marine areas, consistent with national and international law and based on the best available scientific information
14	Life Below Water	14.6	By 2020, prohibit certain forms of fisheries subsidies which contribute to overcapacity and overfishing, eliminate subsidies that contribute to illegal, unreported and unregulated fishing and refrain from introducing new such subsidies, recognizing that appropriate and effective special and differential treatment for developing and least developed countries should be an integral part of the World Trade Organization fisheries subsidies negotiation

SDG no.	SDG Description	Target No.	Target Description
14	Life Below Water	14.7	By 2030, increase the economic benefits to Small Island developing States and least developed countries from the sustainable use of marine resources, including through sustainable management of fisheries, aquaculture and tourism
14	Life Below Water	14.a	Increase scientific knowledge, develop research capacity and transfer marine technology, taking into account the Intergovernmental Oceanographic Commission Criteria and Guidelines on the Transfer of Marine Technology, in order to improve ocean health and to enhance the contribution of marine biodiversity to the development of developing countries, in particular small island developing States and least developed countries
14	Life Below Water	14.b	Provide access for small-scale artisanal fishers to marine resources and markets
14	Life Below Water	14.c	Enhance the conservation and sustainable use of oceans and their resources by implementing international law as reflected in UNCLOS, which provides the legal framework for the conservation and sustainable use of oceans and their resources, as recalled in paragraph 158 of The Future We Want
15	Life On Land	15.1	By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements
15	Life On Land	15.2	By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally
15	Life On Land	15.3	By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world
15	Life On Land	15.4	By 2030, ensure the conservation of mountain ecosystems, including their biodiversity, in order to enhance their capacity to provide benefits that are essential for sustainable development
15	Life On Land	15.5	Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species
15	Life On Land	15.6	Promote fair and equitable sharing of the benefits arising from the utilization of genetic resources and promote appropriate access to such resources, as internationally agreed
15	Life On Land	15.7	Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand and supply of illegal wildlife products

SDG no.	SDG Description	Target No.	Target Description
15	Life On Land	15.8	By 2020, introduce measures to prevent the introduction and significantly reduce the impact of invasive alien species on land and water ecosystems and control or eradicate the priority species
15	Life On Land	15.9	By 2020, integrate ecosystem and biodiversity values into national and local planning, development processes, poverty reduction strategies and accounts
15	Life On Land	15.a	Mobilize and significantly increase financial resources from all sources to conserve and sustainably use biodiversity and ecosystems
15	Life On Land	15.b	Mobilize significant resources from all sources and at all levels to finance sustainable forest management and provide adequate incentives to developing countries to advance such management, including for conservation and reforestation
15	Life On Land	15.c	Enhance global support for efforts to combat poaching and trafficking of protected species, including by increasing the capacity of local communities to pursue sustainable livelihood opportunities
16	Peace, Justice and Strong Institution	16.1	Significantly reduce all forms of violence and related death rates everywhere
16	Peace, Justice and Strong Institution	16.1	Ensure public access to information and protect fundamental freedoms, in accordance with national legislation and international agreements
16	Peace, Justice and Strong Institution	16.2	End abuse, exploitation, trafficking and all forms of violence against and torture of children
16	Peace, Justice and Strong Institution	16.3	Promote the rule of law at the national and international levels and ensure equal access to justice for all
16	Peace, Justice and Strong Institution	16.4	By 2030, significantly reduce illicit financial and arms flows, strengthen the recovery and return of stolen assets and combat all forms of organized crime
16	Peace, Justice and Strong Institution	16.5	Substantially reduce corruption and bribery in all their forms
16	Peace, Justice and Strong Institution	16.6	Develop effective, accountable and transparent institutions at all levels
16	Peace, Justice and Strong Institution	16.7	Ensure responsive, inclusive, participatory and representative decision-making at all levels
16	Peace, Justice and Strong Institution	16.8	Broaden and strengthen the participation of developing countries in the institutions of global governance
16	Peace, Justice and Strong Institution	16.9	By 2030, provide legal identity for all, including birth registration

SDG no.	SDG Description	Target No.	Target Description
16	Peace, Justice and Strong Institution	16.a	Strengthen relevant national institutions, including through international cooperation, for building capacity at all levels, in particular in developing countries, to prevent violence and combat terrorism and crime
16	Peace, Justice and Strong Institution	16.b	Promote and enforce non-discriminatory laws and policies for sustainable development
17	Partnership For the Goals	17.*	Acknowledging that the United Nations Framework Convention on Climate Change is the primary international, intergovernmental forum for negotiating the global response to climate change.
17	Partnership For the Goals	17.1	Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection
17	Partnership For the Goals	17.1	Promote a universal, rules-based, open, non- discriminatory and equitable multilateral trading system under the World Trade Organization, including through the conclusion of negotiations under its Doha Development Agenda
17	Partnership For the Goals	17.11	Significantly increase the exports of developing countries, in particular with a view to doubling the least developed countries' share of global exports by 2020
17	Partnership For the Goals	17.12	Realize timely implementation of duty-free and quota-free market access on a lasting basis for all least developed countries, consistent with World Trade Organization decisions, including by ensuring that preferential rules of origin applicable to imports from least developed countries are transparent and simple, and contribute to facilitating market access
17	Partnership For the Goals	17.13	Enhance global macroeconomic stability, including through policy coordination and policy coherence
17	Partnership For the Goals	17.14	Enhance policy coherence for sustainable development
17	Partnership For the Goals	17.15	Respect each country's policy space and leadership to establish and implement policies for poverty eradication and sustainable development
17	Partnership For the Goals	17.16	Enhance the global partnership for sustainable development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in particular developing countries
17	Partnership For the Goals	17.17	Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships

SDG no.	SDG Description	Target No.	Target Description
17	Partnership For the Goals	17.18	By 2020, enhance capacity-building support to developing countries, including for least developed countries and small island developing States, to increase significantly the availability of high-quality, timely and reliable data disaggregated by income, gender, age, race, ethnicity, migratory status, disability, geographic location and other characteristics relevant in national contexts
17	Partnership For the Goals	17.19	By 2030, build on existing initiatives to develop measurements of progress on sustainable development that complement gross domestic product, and support statistical capacity-building in developing countries
17	Partnership For the Goals	17.2	Developed countries to implement fully their official development assistance commitments, including the commitment by many developed countries to achieve the target of 0.7 per cent of ODA/GNI to developing countries and 0.15 to 0.20 per cent of ODA/GNI to least developed countries; ODA providers are encouraged to consider setting a target to provide at least 0.20 per cent of ODA/GNI to least developed countries
17	Partnership For the Goals	17.3	Mobilize additional financial resources for developing countries from multiple sources
17	Partnership For the Goals	17.4	Assist developing countries in attaining long-term debt sustainability through coordinated policies aimed at fostering debt financing, debt relief and debt restructuring, as appropriate, and address the external debt of highly indebted poor countries to reduce debt distress
17	Partnership For the Goals	17.5	Adopt and implement investment promotion regimes for least developed countries
17	Partnership For the Goals	17.6	Enhance North-South, South-South and triangular regional and international cooperation on and access to science, technology and innovation and enhance knowledge sharing on mutually agreed terms, including through improved coordination among existing mechanisms, in particular at the United Nations level, and through a global technology facilitation mechanism
17	Partnership For the Goals	17.7	Promote the development, transfer, dissemination and diffusion of environmentally sound technologies to developing countries on favourable terms, including on concessional and preferential terms, as mutually agreed
17	Partnership For the Goals	17.8	Fully operationalize the technology bank and science, technology and innovation capacity-building mechanism for least developed countries by 2017 and enhance the use of enabling technology, in particular information and communications technology
17	Partnership For the Goals	17.9	Enhance international support for implementing effective and targeted capacity-building in developing countries to support national plans to implement all the sustainable development goals, including through North-South, South-South and triangular cooperation
